| Preface / xii |
| Contributors / xvii |
| Reviewers / xix |

SECTION I

Conceptual Foundations and Theoretical Approaches / 1

CHAPTER 1: HEALTH PROMOTION: PAST, PRESENT, AND FUTURE / 2

| | |
|---|---|
| Defining Health Promotion | 3 |
| Health Education | 3 |
| Health Promotion | 3 |
| Health Promotion: Past | 4 |
| Babylonia | 4 |
| Greece | 4 |
| Rome | 4 |
| China | 4 |
| The Middle Ages, Renaissance, and Early America | 5 |
| Health Promotion in the Middle Ages (CE 500–1500) | 5 |
| The Renaissance and Early America (CE 1500–1800) | 5 |
| The Social Mandate for Health Promotion | 6 |
| The First Movement | 6 |
| The Second Movement | 6 |
| The Third Movement | 6 |
| Sociopolitical Influences for Health Promotion in the Twentieth Century | 7 |
| Health Reform | 7 |
| Federal Government Involvement in Health Care | 7 |
| Medicaid and Medicare | 8 |

| | |
|--|----|
| Government Initiatives for Health Promotion in the Twentieth Century | 8 |
| Canadian Influence on Health Promotion | 8 |
| International Goals for Health | 9 |
| <i>The United States and National Goals for Health</i> | 9 |
| Health Care Cost Containment | 11 |
| Changes in Nursing Practice | 11 |
| Changes in Nursing Policy | 12 |
| Health Promotion: Where Is It Going? | 13 |
| Forces Shaping the Future of Health Promotion | 13 |
| A Framework for Thinking about the Future | 13 |
| Facilitating Your Role in Health Promotion | 14 |
| Summary | 14 |

CHAPTER 2: NURSING CONCEPTS AND HEALTH PROMOTION / 18

| | |
|--|----|
| Professional Nursing Practice and Health Promotion | 19 |
| Nursing and Health Promotion in a Global Community | 20 |
| Nursing's Metaparadigm | 21 |
| Defining Nursing | 22 |
| Person, Environment, Health, and Nursing | 22 |
| Person | 22 |
| Maslow's Hierarchy of Needs | 22 |
| Environment | 23 |
| Health | 24 |
| Definitions of Health | 24 |
| Nursing | 25 |
| Nursing as a Profession | 25 |
| Nursing Educational Levels and Health Promotion | 25 |

| | |
|--|----|
| Integrating Health-Promotion Concepts into Nursing Practice | 26 |
| Assumptions | 26 |
| Theoretical Foundations | 29 |
| Pender's Model of Health Promotion | 29 |
| Systems Theory | 29 |
| Adaptation Theory | 29 |
| Needs Theory | 30 |
| Human Becoming Theory and Human Care Theory | 30 |
| Transcultural Theory | 30 |
| Organizing Nursing Theory | 31 |
| Nursing's Metaparadigm and Nursing Theory | 31 |
| Summary | 35 |

CHAPTER 3: THEORETICAL FOUNDATIONS OF HEALTH PROMOTION / 38

| | |
|---|----|
| Clarifying Terms | 39 |
| Wellness | 39 |
| Disease Prevention and Health Protection | 39 |
| Health Promotion | 40 |
| Theoretical Foundations | 40 |
| Theories of Human Behavior and Health | 41 |
| Theory of Planned Behavior | 41 |
| Health Belief Model | 42 |
| Protection Motivation Theory | 42 |
| Transtheoretical Model of Behavior Change | 43 |
| Models for Groups, Organizations, and Communities | 45 |
| Consumer Information Processing Model | 45 |
| Diffusion of Innovations Model | 45 |
| PRECEDE-PROCEED Model | 46 |
| Health-Promotion Models | 47 |
| Pender Model of Health Promotion | 47 |
| Developing a Health-Promotion Plan | 47 |
| Assessment and Data Collection | 49 |
| Resources, Supports, and Constraints or Barriers/ Outcome Measures | 49 |
| Planning and Implementation | 49 |
| Evaluation | 49 |
| Summary | 49 |

CHAPTER 4: THE ROLE OF THE NURSE IN HEALTH PROMOTION 53

| | |
|--|----|
| Domains Fundamental to Nursing Practice in Health Promotion | 54 |
| Biological Domain | 55 |
| Psychological Domain | 55 |
| Sociological Domain | 55 |
| Environmental Domain | 56 |
| Political Domain | 56 |
| Spiritual Domain | 56 |
| Intellectual Domain | 57 |
| Sexual Domain | 57 |
| Technological Domain | 57 |
| Holistic Philosophy | 58 |

| | |
|---|----|
| Holistic Nursing Practice | 58 |
| Roles of the Nurse in Health Promotion | 58 |
| Activist/Proactive Change Agent | 59 |
| Advocate | 59 |
| Educator | 59 |
| Empowering Agent | 59 |
| Communicator | 59 |
| Consultant | 59 |
| Coordinator of Care | 59 |
| Leader/Member of the Profession | 60 |
| Provider of Patient-Centered Care | 60 |
| Research User and Health-Promotion Models Researcher | 60 |
| Role Model | 60 |
| Overview of the Nursing Process | 60 |
| Assessment (Acquiring Information) | 61 |
| Analysis of Assessment Data (Using Critical Thinking) | 61 |
| Nursing Diagnosis | 61 |
| Planning | 62 |
| Implementation | 62 |
| Evaluation | 63 |
| Nursing Process and Health Promotion for the Individual, Families, and Communities | 63 |
| Individual | 63 |
| Family | 63 |
| Community | 63 |
| Risk Factors and Health Promotion | 63 |
| Environment | 67 |
| Work | 67 |
| Socioeconomic Level | 67 |
| Education | 67 |
| Gender | 67 |
| Cultural and Spiritual Influences | 67 |
| Current Factors Affecting Nursing Roles in Health Promotion | 67 |
| Health Care System | 68 |
| Nursing Roles | 68 |
| Increasing Technology | 68 |
| Economic Environment | 68 |
| Individual Behavior | 68 |
| Summary | 69 |

SECTION II

Factors Influencing Health Promotion / 73

CHAPTER 5: COMMUNICATION / 74

| | |
|---|----|
| Communication, Nursing, and Health Promotion | 75 |
| The Message | 75 |
| Encoding | 76 |
| The Channel | 76 |

| | |
|---|-----|
| Environmental Disasters | 130 |
| Natural Disasters | 130 |
| Earthquakes | 130 |
| Hurricanes | 131 |
| Tornadoes | 131 |
| Technological Disasters | 132 |
| Terror-Related Disasters | 132 |
| Posttraumatic Stress Disorder | 132 |
| Health Promotion and Nursing Interventions for Environmental Disasters | 134 |
| Preparation for Disasters | 134 |
| Summary | 136 |

CHAPTER 8: THE MIND-BODY- SPIRIT CONNECTION / 141

| | |
|---|-----|
| The Physiological Basis | 142 |
| The Nervous System | 142 |
| The Neuropeptides | 143 |
| The Endocrine System | 143 |
| The Immune System | 144 |
| Modulation between the Neuroendocrine and Immune Systems | 145 |
| The Role of Stress | 146 |
| Psychoneuroimmunology Research | 149 |
| The Effect of Negative Life Stressors | 149 |
| Examination Stress | 149 |
| Bereavement | 150 |
| Chronic Stress | 150 |
| Crisis | 151 |
| The Effect of Stress on Disease | 152 |
| Depression Factors | 152 |
| Psychocutaneous Disease | 152 |
| Cancer | 153 |
| Spirituality and Psychoneuroimmunology | 153 |
| Controversies Related to PNI Research | 154 |
| Nursing Implications | 154 |
| Summary | 155 |

SECTION III

Promoting Health throughout the Life Cycle / 161

CHAPTER 9: PROMOTING MOTHER, INFANT, AND TODDLER HEALTH / 162

| | |
|--|-----|
| The Mother | 163 |
| Biological Domain | 163 |
| <i>Preconception</i> | 163 |
| Pregnancy | 166 |
| <i>Nutrition</i> | 166 |
| <i>Substance Use</i> | 168 |
| <i>Screening</i> | 170 |
| <i>Exercise, Activity, and Sleep</i> | 171 |

| | |
|--|-----|
| Postpartum | 172 |
| Psychological and Sociological Domains | 173 |
| <i>Preconception</i> | 173 |
| <i>Pregnancy</i> | 173 |
| <i>Postpartum</i> | 175 |
| Political Domain | 177 |
| <i>Preconception</i> | 177 |
| <i>Pregnancy</i> | 178 |
| <i>Postpartum</i> | 178 |
| Environmental Domain | 179 |
| <i>Preconception and Pregnancy</i> | 179 |
| <i>Postpartum</i> | 180 |
| Sexual Domain | 180 |
| <i>Preconception</i> | 180 |
| <i>Pregnancy</i> | 180 |
| <i>Postpartum</i> | 180 |
| Spiritual Domain | 180 |
| The Infant and Toddler | 181 |
| Biological Domain | 181 |
| <i>Nutrition</i> | 181 |
| <i>Elimination</i> | 184 |
| <i>Sleep and Activity</i> | 185 |
| Immunization | 186 |
| Screening | 187 |
| <i>Defects of Metabolism</i> | 187 |
| <i>Anemia</i> | 188 |
| <i>Hearing Deficits</i> | 188 |
| <i>Growth Retardation</i> | 188 |
| <i>Developmental Delays</i> | 188 |
| Psychological Domain | 188 |
| <i>Cognitive Development</i> | 188 |
| Emotional Development | 190 |
| Social Domain | 191 |
| <i>Family</i> | 191 |
| <i>Day Care</i> | 191 |
| <i>Child Abuse and Neglect</i> | 191 |
| Cultural Influences | 192 |
| Political Domain | 192 |
| <i>WIC Program</i> | 192 |
| <i>Safety Legislation</i> | 192 |
| <i>Legislation Supporting Breast-Feeding</i> | 193 |
| Environmental Domain | 193 |
| Sexual Domain | 193 |
| Spiritual Domain | 195 |
| Summary | 195 |

CHAPTER 10: THE CHILD / 202

| | |
|---|-----|
| The Preschool and School-Age Child | 203 |
| Biological Domain | 203 |
| <i>Nutrition</i> | 203 |
| <i>Elimination</i> | 206 |
| <i>Sleep and Activity</i> | 206 |
| Immunization | 207 |
| <i>Screening</i> | 210 |
| Psychological Domain | 213 |
| <i>Attention-Deficit/Hyperactivity Disorder</i> | 213 |
| Social Domain | 214 |
| <i>Relationships</i> | 214 |

| | |
|---|-----|
| Television..... | 214 |
| <i>Cultural Influences</i> | 215 |
| <i>Political Domain</i> | 215 |
| <i>Medicaid and the State Children's</i> <i>Health Insurance Program</i> | 215 |
| <i>National School Lunch Program</i> | 216 |
| <i>Individuals with Disabilities Education Act</i> | 216 |
| Environmental Domain..... | 216 |
| Sexual Domain..... | 216 |
| Spiritual Domain..... | 217 |
| Summary | 219 |

CHAPTER 11: THE ADOLESCENT AND YOUNG ADULT / 223

| | |
|--|-----|
| The Adolescent | 224 |
| Biological Domain..... | 224 |
| Puberty..... | 224 |
| <i>Female Puberty</i> | 225 |
| <i>Male Puberty</i> | 226 |
| Nutrition..... | 226 |
| Activity..... | 227 |
| Screening..... | 228 |
| <i>Blood Pressure</i> | 228 |
| <i>Dental Caries and Gum Disease</i> | 228 |
| <i>Substance Use</i> | 228 |
| <i>Sexually Transmitted Infections</i> | 231 |
| Psychological Domain..... | 231 |
| <i>Cognitive Development</i> | 231 |
| <i>Invulnerability</i> | 231 |
| <i>Body Image</i> | 231 |
| <i>Moral Development</i> | 232 |
| <i>Emotional Development</i> | 232 |
| <i>Depression</i> | 232 |
| <i>Suicide</i> | 232 |
| Social Domain..... | 233 |
| <i>Family</i> | 233 |
| <i>Peers</i> | 233 |
| <i>Abuse</i> | 233 |
| <i>Culture</i> | 234 |
| <i>Political Domain</i> | 234 |
| Environmental Domain..... | 235 |
| <i>Accidents</i> | 235 |
| <i>Violence</i> | 235 |
| Sexual Domain..... | 235 |
| <i>Adolescent Pregnancy</i> | 237 |
| Spiritual Domain..... | 237 |
| The Young Adult | 237 |
| Biological Domain..... | 237 |
| <i>Nutrition</i> | 237 |
| <i>Exercise</i> | 238 |
| <i>Skin Cancer Prevention</i> | 238 |
| <i>Rest</i> | 238 |
| <i>Screening</i> | 239 |
| Psychological Domain..... | 241 |
| <i>Cognitive Development</i> | 241 |
| <i>Emotional Development</i> | 241 |
| Social Domain..... | 243 |

| | |
|---------------------------|-----|
| Political Domain..... | 244 |
| Environmental Domain..... | 245 |
| Sexual Domain..... | 245 |
| Spiritual Domain..... | 246 |
| Summary | 246 |

CHAPTER 12: THE MIDDLE-AGED ADULT / 252

| | |
|--|-----|
| Importance of Health Promotion in Middle Adulthood | 253 |
| Current Perspective of Health Promotion in Middle-Aged Adults..... | 253 |
| Demographics of Middle Adulthood..... | 253 |
| Middle Adulthood: A Time of Planned Change | 253 |
| Physical Domain..... | 253 |
| <i>Female Climacteric</i> | 254 |
| <i>Male Climacteric</i> | 254 |
| Psychological Domain..... | 254 |
| <i>Depression</i> | 256 |
| <i>Sociological Domain</i> | 257 |
| <i>Environmental Domain</i> | 257 |
| <i>Sexual/Gender Domain</i> | 258 |
| <i>Spiritual Domain</i> | 258 |
| Culturally Competent Care Guidelines for Health Promotion and Screening | 258 |
| Strategies for Achieving Lifestyles that Promote Health | 260 |
| <i>Exercise and Nutrition</i> | 260 |
| <i>Tobacco Avoidance</i> | 261 |
| <i>Immunizations</i> | 261 |
| <i>Promoting Awareness of Genetic/Genomics Issues</i> | 261 |
| <i>Sleep</i> | 262 |
| <i>Dental Health</i> | 262 |
| <i>Occupational Safety</i> | 263 |
| Nursing Role in Health Promotion and Early Detection | 263 |
| <i>Educating About Risk Reduction and Health-Promoting Activities</i> | 263 |
| Assessment of the Middle-Aged Adult | 265 |
| <i>Health-Promotion Measures for Major Deviations from Health</i> | 266 |
| <i>Vision and Hearing</i> | 266 |
| <i>Diabetes Mellitus</i> | 267 |
| <i>Cancer</i> | 267 |
| <i>Osteoporosis</i> | 267 |
| Summary | 268 |
| CHAPTER 13: THE OLDER ADULT / 272 | |
| Demographic Characteristics of Older Adults | 273 |
| <i>Who Are the Older Adults?</i> | 273 |
| <i>Population Trends</i> | 274 |

| | |
|---|-----|
| Developmental Domain | 276 |
| Developmental Tasks of Aging | 276 |
| Theories Related to Aging | 276 |
| Biological Domain | 276 |
| Physical Assessment | 277 |
| Nutrition | 279 |
| Fitness and Exercise | 280 |
| Sleep | 281 |
| Sex | 281 |
| Socioeconomic Domain | 283 |
| Poverty | 283 |
| Education | 283 |
| Health Care Expenditures | 283 |
| Psychological Domain | 283 |
| Depression | 283 |
| Stress | 284 |
| Elder Abuse | 284 |
| Spiritual Domain | 285 |
| Cultural Domain | 286 |
| Environmental Domain | 286 |
| Safety in Driving | 286 |
| Safety at Home | 287 |
| Medications and the Elderly | 287 |
| Safety and Assisted Living Facilities | 288 |
| Elderly and Disaster Preparedness | 289 |
| Summary | 291 |

CHAPTER 14: HEALTH PROMOTION THROUGH END-OF-LIFE / 297

| | |
|--|-----|
| Health Promotion and the End-of-Life | 298 |
| End-of-Life Issues | 298 |
| Diagnosing Dying | 299 |
| Pain | 299 |
| End-of-Life Care Discussions | 300 |
| Timing and Planning for the End-of-Life Discussion | 301 |
| Loss, Grief, Mourning, and Bereavement | 301 |
| Loss | 302 |
| Actual Loss | 302 |
| Perceived Loss | 302 |
| Physical Loss | 302 |
| Psychological Loss | 302 |
| Anticipatory Loss | 302 |
| Grief | 302 |
| Theories and Models of Grief | 303 |
| Experiencing and Reacting to Grief | 304 |
| Palliative and Hospice Care | 305 |
| Hospice | 305 |
| End-of-Life: The Good Death Concept | 306 |
| International Perspectives on the Good Death | 307 |
| Death with Dignity: Promoting Wellness at the End-of-Life | 309 |
| Knowing Yourself: Assessing Your Feelings | 309 |
| Summary | 309 |

SECTION IV

Health-Promotion Strategies and Interventions / 317

CHAPTER 15: EMBRACING PROPER NUTRITION / 318

| | |
|---|-----|
| Importance of Nutrition in Health Promotion | 319 |
| Healthy People Goals and Nutritional Health | 325 |
| Domains Influencing Eating Behavior | 325 |
| Biological Domain | 325 |
| Psychological Domain | 326 |
| Sociocultural, Religious, and Spiritual Domains | 327 |
| Environmental Domain | 328 |
| Technical Domain | 328 |
| Nutritional Excesses, Deficits, Fads, and Health Promotion | 329 |
| Overnutrition | 329 |
| Undernutrition | 329 |
| Anorexia Nervosa | 329 |
| Bulimia | 330 |
| Nutritional Fads | 330 |
| Dietary Strategies to Promote a Healthful Diet | 331 |
| Dietary Guidelines for Americans 2010 | 331 |
| MyPyramid | 332 |
| MyPlate | 334 |
| The Exchange System: A Menu Planning Tool | 334 |
| Food Labels | 335 |
| Fruits and Veggies—More Matters | 335 |
| Nutritional Issues and Health-Promotion Strategies | 335 |
| The Nursing Process in Promoting Nutritional Health | 336 |
| Assessment | 336 |
| Critical Analysis of Data | 336 |
| Nursing Diagnosis | 336 |
| Planning | 338 |
| Implementation | 338 |
| Health-Promotion Model and Nutritional Status | 338 |
| Evaluation | 338 |
| Summary | 340 |

CHAPTER 16: ENGAGING IN PHYSICAL FITNESS / 344

| | |
|---|-----|
| Exercise and Health Promotion | 345 |
| Physical Fitness | 346 |
| Components of Health-Related Fitness | 347 |
| Cardiovascular Fitness | 347 |
| Muscular Strength and Endurance | 347 |

| | |
|---|-----|
| Flexibility | 347 |
| Body Composition | 347 |
| Assessing Health-Related Fitness | 348 |
| Cardiovascular Fitness | 348 |
| Muscular Strength | 348 |
| Muscular Endurance | 348 |
| Assessing Flexibility | 349 |
| Assessing Body Composition | 349 |
| Starting a Fitness Training Program: | |
| Making that Decision | 349 |
| General Principles of Fitness Training | 350 |
| Principle of Overload | 350 |
| Principle of Specificity | 350 |
| Principle of Progression | 351 |
| Planning a Fitness Program | 351 |
| Frequency | 351 |
| Intensity | 351 |
| Time | 351 |
| Type of Training | 352 |
| Principles and Concepts of | |
| Cardiovascular Fitness | 352 |
| Resting Heart Rate | 352 |
| Target Heart Rate | 352 |
| A Balanced Fitness Program | 353 |
| Result Expectations | 353 |
| Implementation of Fitness Program: | |
| Essential Elements of Training | 353 |
| Common Problems Related to Exercise | 354 |
| Side Stitch | 354 |
| Muscle Soreness | 354 |
| Strains and Sprains | 354 |
| Warm Weather Conditions | 354 |
| Exercising in Cold Weather | 354 |
| Pollution Problems | 354 |
| RICE Concept for Injury Treatment | 355 |
| Myths about Exercise | 355 |
| Health Belief and Health-Promotion | |
| Models | 355 |
| Utilizing the Nursing Process in | |
| Developing a Physical Fitness Plan | 355 |
| Assessments | 356 |
| Critical Analysis of Data | 356 |
| Nursing Diagnosis | 356 |
| Planning | 358 |
| Implementation | 358 |
| Evaluation | 358 |
| Getting Started and Sticking To It | 360 |
| Summary | 360 |

CHAPTER 17: CONTROLLING WEIGHT / 365

| | |
|--|-----|
| Consequences of Obesity | 366 |
| Health Promotion and Weight Control | 367 |
| Obstacles to Weight Control | 368 |
| Childhood and Adolescent Obesity | 369 |

| | |
|--|-----|
| Domains Influencing Obesity, Weight Control, and Eating Behaviors | 370 |
| Biological Domain | 370 |
| <i>Theory of Thermogenesis and Weight Control</i> | 370 |
| <i>Theory of Equilibrium Set-Point of Weight Control</i> | 370 |
| <i>Theories of Biochemical Influences and Eating Behaviors</i> | 371 |
| Environmental Domain | 371 |
| <i>Theories of Environmental Influences</i> | 372 |
| Psychological Domain | 372 |
| Sociocultural Domain | 373 |
| Issues Related to Weight Control | 373 |
| The Nursing Process in Weight Control | 374 |
| Assessment | 374 |
| Nursing Diagnosis | 379 |
| Planning | 379 |
| Implementation | 380 |
| Health-Promotion Model and Weight Control | 380 |
| Behavior, Attitude, and Weight Control | 381 |
| Shaping and Guided Practice Weight Control Techniques | 381 |
| Evaluation | 382 |
| Summary | 383 |

CHAPTER 18: AVOIDING TOBACCO, ALCOHOL, AND SUBSTANCE ABUSE / 388

| | |
|---|-----|
| Substance Use and Abuse | 389 |
| What are Drugs? | 390 |
| Sources and Categories of Drugs | 390 |
| Prescription Drugs | 390 |
| Nonprescription Drugs | 390 |
| Psychotropic Drugs | 390 |
| Drug Mechanics: How They Work | 390 |
| Drug Misuse, Drug Abuse, and Addiction | 391 |
| Biological Basis of Addiction | 391 |
| The Effect of Drug Withdrawal | 391 |
| Psychosocial Basis of Addiction | 391 |
| Commonly Abused Psychotropic Drugs | 393 |
| Opiates | 393 |
| Hallucinogens | 394 |
| Household Drugs | 394 |
| Stimulants | 394 |
| Tobacco Use and Addiction | 395 |
| Environmental Tobacco Smoke | 395 |
| Nicotine | 395 |
| Alcohol Use and Addiction | 396 |
| Why People Drink | 397 |
| Alcohol and the Central Nervous System | 397 |
| Substance Abuse Patterns | 397 |
| Gender | 398 |
| Age | 398 |
| Adolescents | 398 |
| Elderly | 398 |

| | |
|---|-----|
| Ethnicity | 398 |
| Nurses | 399 |
| Comorbidity | 399 |
| Mental Health Issues | 400 |
| Physical Health Issues | 400 |
| Spiritual Health Issues | 400 |
| Strategies for Health Promotion | 400 |
| Identification of Risk and Protective Factors | 400 |
| Primary Prevention | 401 |
| Secondary Prevention | 402 |
| Tertiary Prevention | 402 |
| In Control | 402 |
| Out of Control | 403 |
| Summary | 403 |

CHAPTER 19: ENHANCING HOLISTIC CARE / 407

| | |
|---|-----|
| What is Holistic Care? | 408 |
| What Is Healing? | 408 |
| What Is a Nurse Healer? | 408 |
| Holistic Nursing: Past, Present, and Future | 409 |
| The Past | 409 |
| The Present | 410 |
| The Future | 411 |
| The Nurse-Patient Relationship | 411 |
| The Nurse's Attitude about Healing | 411 |
| The Nurse's Attitude about Self | 411 |
| Interaction Between Nurse and Patient | 412 |
| Holistic Techniques for Health Promotion | 413 |
| The Teaching and Learning of Healing Techniques | 413 |
| Using Energy as a Healing Tool | 414 |
| The Power of Thoughts and Feelings | 416 |
| The Breath | 416 |
| Imagery | 417 |
| Meditation | 418 |
| The Power of Prayer | 419 |
| Light and Color | 419 |
| Sound | 421 |
| Music | 422 |
| Energy-Based Therapies: Therapeutic Touch and Healing Touch | 422 |
| Touch Therapies: Reflexology, Massage, and Acupressure | 423 |
| Reflexology | 424 |
| Massage | 424 |
| Acupressure | 425 |
| Nurses and Self-Care | 426 |
| Environment | 426 |
| Sleep | 426 |
| Exercise | 426 |
| Communication | 427 |
| Nutrition | 427 |
| Herbs | 427 |
| Aromatherapy | 428 |
| Love and Healing | 428 |
| Summary | 429 |

SECTION V

Health-Promotion Concerns / 435

CHAPTER 20: CONCERNS OF THE HEALTH PROFESSIONAL / 436

| | |
|--|-----|
| Change and its Impact on the Health Professional | 437 |
| Issues Impacting the Health Care Professional | 438 |
| Factors Affecting the Nursing Profession | 439 |
| Nursing Student Characteristics | 439 |
| Nursing Student Stress | 440 |
| Professional Nursing Supply | 441 |
| Gender | 441 |
| Age | 441 |
| Ethnicity | 442 |
| Education | 442 |
| Impact of Health Care Reform and Managed Care on Nursing | 443 |
| Health Behavior Patterns | 443 |
| Health-Promotion Practices by Domain | 444 |
| Biological Domain | 445 |
| Psychological Domain | 446 |
| Spiritual Domain | 447 |
| Sociocultural Domain | 448 |
| Environmental Domain | 448 |
| Technological Domain | 449 |
| Nursing Process and Health-Promotion Planning | 449 |
| Summary | 451 |

CHAPTER 21: ECONOMIC AND QUALITY CONCERNS / 455

| | |
|---|-----|
| Factors Driving Costs Up | 456 |
| Efforts to Control Costs | 457 |
