## CONTENTS

	<b>Page</b>
List of Tables	B
List of figures	C
Foreword	E
Acknowledgements	F
List of Collaborators	G
1. Introduction	1
2. Methods	7
3. Results	12
4. Colorectal cancer	24
5. Liver cancer	29
6. Lung cancer	35
7. Breast cancer	41
8. Cervical cancer	46
9. Pathology	50
References	78
Appendix A	80
Appendix B	112

## LIST OF TABLES

### Page

Table 1.1	Cancer in Five Continents (Thailand)	4
Table 1.2	Cancer in Thailand	4
Table 3.1	Number of new cancer cases and ASR, Chonburi	15
Table 3.2	Comparisons of data quality to the others	15
Table 3.3	Percentage of mortality and incidence ratio by sexes and sites	20
Table 3.4	Data quality: Percentage of histological verified and death certificate only (Total), Chonburi, 1998-2002	21
Table 3.5	Data quality: Percentage of histological verified and death certificate only (Male), Chonburi, 1998-2002	22
Table 3.6	Data quality: Percentage of histological verified and death certificate only (Female), Chonburi, 1998-2002	23
Table 4.1	Number, incidence and mortality of colorectal cancer	24
Table 4.2	Comparisons of data quality of colorectal cancer to the others	25
Table 5.1	Number, incidence and mortality of liver cancer	29
Table 5.2	Comparisons of data quality of liver cancer to the others	30
Table 5.3	Morphology of liver cancer	30
Table 6.1	Number, incidence and mortality of lung cancer	35
Table 6.2	Comparisons of data quality of lung cancer to the others	36
Table 6.3	Morphology of lung cancer in Lamphun	37
Table 7.1	Number, incidence and mortality of breast cancer	41
Table 7.2	Comparisons of data quality of breast cancer to the others	42
Table 8.1	Number, incidence and mortality of cervical cancer	46
Table 8.2	Comparisons of data quality of cervical cancer to the others	46
Table 9	Pathology according to sites and sexes of all cancers	50

## LIST OF FIGURES

	<b>Page</b>
<b>Figure 1.1</b> Map of Chonburi, Thailand	3
<b>Figure 1.2</b> Eastern Thailand	3
<b>Figure 1.3</b> Population densities by district, Chonburi, Thailand (Census 2000)	3
<b>Figure 1.4</b> Population cancer registries in Thailand	6
<b>Figure 2.1</b> Source of Information and the registration process	11
<b>Figure 3.1</b> Leading Cancer of new cases	12
<b>Figure 3.2</b> Age-specific incidence rates of all cancers	13
<b>Figure 3.3</b> Leading cancers by age and sexes	16
<b>Figure 3.4</b> Extension of all cancers by sexes	14
<b>Figure 3.5</b> Geographic distributions by districts and sexes of all cancers	17
<b>Figure 3.6</b> Comparisons of ASR of all cancers with the others	18
<b>Figure 3.7</b> Leading cancer deaths	19
<b>Figure 3.8</b> Age-specific mortality rates of all cancers	19
<b>Figure 4.1</b> Age-Specific incidence rates, 1998-2002	25
<b>Figure 4.2</b> Geographic distributions by districts and sex of colorectal cancer	26
<b>Figure 4.3</b> Geographic distributions of colorectal cancer in Chonburi	26
<b>Figure 4.4</b> Comparisons of colorectal cancer to the others	27
<b>Figure 4.5</b> Age- specific mortality rates of colorectal cancer	25
<b>Figure 5.1</b> Age- Specific incidence rates of liver cancer	31
<b>Figure 5.2</b> Geographic Distribution by districts and sexes of liver cancer	31
<b>Figure 5.3</b> Geographic distribution of liver cancer in Chonburi	32
<b>Figure 5.4</b> Comparisons of liver cancer with the others	33
<b>Figure 5.5</b> Age- Specific mortality rates of liver cancer	31

## LIST OF FIGURES (Continued)

	<b>Page</b>
<b>Figure 6.1</b> Age- Specific incidence rates of lung cancer	37
<b>Figure 6.2</b> Geographic Distribution by districts and sexes of lung cancer	38
<b>Figure 6.3</b> Geographic distribution of lung cancer in Chonburi	38
<b>Figure 6.4</b> Comparisons of lung cancer with the others	39
<b>Figure 6.5</b> Age- Specific mortality rates of lung cancer	37
<b>Figure 7.1</b> Age- Specific incidence and mortality rates of breast cancer	42
<b>Figure 7.2</b> Geographic Distribution by districts of female breast cancer	43
<b>Figure 7.3</b> Geographic distribution of female breast cancer in Chonburi	43
<b>Figure 7.4</b> Comparisons of female breast cancer to the others	44
<b>Figure 8.1</b> Age- Specific incidence and mortality rates of cervical cancer	47
<b>Figure 8.2</b> Geographic Distribution by districts of female cervical cancer	47
<b>Figure 8.3</b> Geographic distribution of female cervical cancer in Chonburi	48
<b>Figure 8.4</b> Comparisons of female cervical cancer with the others	49
