Chapter 1: Welcome to Simulation	1
----------------------------------	---

## **SIMULATION SCENARIOS FOR PRACTICAL/VOCATIONAL NURSING STUDENTS** **15**

---

Simulation 1: Data Collection & Medication Administration (Adult)	16
Simulation 2: Urinary & Pyelonephritis (Adult)	23
Simulation 3: Orthopedic Surgery & Deep Vein Thrombosis (Adult)	29
Simulation 4: Cardiac & Acute Coronary Syndrome (Adult)	35
Simulation 5: Integument & Wound Care (Adult)	41
Simulation 6: Brain Attack (formerly called Cerebrovascular Accident [CVA])	48
Simulation 7: Cancer & End of Life (Adult)	54
Simulation 8: Data Collection & Medication Administration (Pediatric)	60
Simulation 9: Respiratory & Croup (Infant)	67
Simulation 10: Endocrine & Diabetes (Pediatric)	73

## **SIMULATION SCENARIOS FOR REGISTERED NURSING STUDENTS** **79**

---

Simulation 1: Assessment & Medication Administration (Adult)	80
Simulation 2: Urinary & Pyelonephritis (Adult)	87
Simulation 3: Orthopedic Surgery & Pulmonary Embolism (Adult)	93

Simulation 4: Cardiac & Acute Coronary Syndrome (Adult).....	99
Simulation 5: Integument & Wound Care (Adult).....	105
Simulation 6: Brain Attack (formerly called Cerebrovascular Accident [CVA]) .....	112
Simulation 7: Cancer & End of Life (Adult).....	118
Simulation 8: Assessment & Medication Administration (Pediatric) .....	124
Simulation 9: Respiratory & Croup (Infant) .....	131
Simulation 10: Endocrine & Diabetes (Pediatric) .....	137
Appendix A: References.....	143
Index.....	146
