McGraw-Hill INTERNATIONAL EDITION

CONTENTS

Preface xiv

1 What Is Psychology? 2

Defining Psychology 4

The Psychological Frame of Mind 5

Psychology as the Science of All Human Behavior 6

CRITICAL CONTROVERSY Are Young Americans in the Middle of a Narcissism Epidemic? 7

Psychology in Historical Perspective 8

Wundt's Structuralism and James's Functionalism 9

Darwin's Natural Selection 10

PSYCHOLOGICAL INQUIRY Explore Evolution from Giraffes to Human Beings 10

Contemporary Approaches to Psychology 11

The Biological Approach 11

The Behavioral Approach 12

The Psychodynamic Approach 12

The Humanistic Approach 13

The Cognitive Approach 13

The Evolutionary Approach 13

The Sociocultural Approach 14

Summing Up the Seven Contemporary Approaches 14

What Psychologists Do 14

Careers in Psychology 15

Areas of Specialization 15

PSYCHOLOGICAL INQUIRY Questions That Psychology Specialists Ask 19

INTERSECTION Social Psychology and Cross-Cultural Psychology: How Does Culture Influence the Meaning of Success? 20

The Science of Psychology and Health and Wellness 21

How the Mind Impacts the Body 21

How the Body Impacts the Mind 22

Summary 22

Key Terms 23

Apply Your Knowledge 23

2 Psychology's Scientific Method 24

Psychology's Scientific Method 26

Step 1. Observing Some Phenomenon 26

Step 2. Formulating Hypotheses and Predictions 27

Step 3. Testing Through Empirical Research 27

Step 4. Drawing Conclusions 29

Step 5. Evaluating the Theory 29

Types of Psychological Research 30

Descriptive Research 30

Correlational Research 33

PSYCHOLOGICAL INQUIRY Miserable but Helpful? 36

Experimental Research 37

INTERSECTION Personality and Social Psychology: Does Sociability Lead to Happiness or Is It the Other Way Around? 41

Applications of the Three Types of Research 44

Research Samples and Settings 45

The Research Sample 45

The Research Setting 46

Analyzing and Interpreting Data 47

Descriptive Statistics 47

PSYCHOLOGICAL INQUIRY Experimentation in a Natural Setting 48

Inferential Statistics 50

Conducting Ethical Research 51

Ethics Guidelines 52

CRITICAL CONTROVERSY Is It Ethical to Use Deception in Research? 53

Ethical Treatment of Research Animals 54

Thinking Critically About Psychological Research 54

Avoid Overgeneralizing Based on Little Information 55

Distinguish Between Group Results and Individual Needs 55

Look for Answers Beyond a Single Study 55

Avoid Attributing Causes Where None Have Been Found 55

Consider the Source of Psychological Information 56

The Scientific Method and Health and Wellness 56

Summary 58

Key Terms 58

Apply Your Knowledge 59

3 Biological Foundations of Behavior 60

The Nervous System 62

- Characteristics of the Nervous System 62
- Pathways in the Nervous System 63
- Divisions of the Nervous System 64

Neurons 65

CRITICAL CONTROVERSY Do Mirror Neurons Hold the Key to Social Understanding? 66

- Specialized Cell Structure 67
- The Neural Impulse 68
- Synapses and Neurotransmitters 70
- Neural Networks 74

Structures of the Brain and Their Functions 75

- How Researchers Study the Brain and Nervous System 75
- How the Brain Is Organized 78

PSYCHOLOGICAL INQUIRY The Brain in Different Species 80

- The Cerebral Cortex 82

INTERSECTION Neuroscience and Emotion: How Does the Brain Recognize What Is Funny? 83

- The Cerebral Hemispheres and Split-Brain Research 86
- Integration of Function in the Brain 89

The Endocrine System 90

Brain Damage, Plasticity, and Repair 91

- The Brain's Plasticity and Capacity for Repair, 91
- Brain Tissue Implants 92

Genetics and Behavior 93

- Chromosomes, Genes, and DNA 93
- The Study of Genetics 94
- Genes and the Environment 96

PSYCHOLOGICAL INQUIRY The Jim Twins 97

Psychology's Biological Foundations and Health and Wellness 98

- Summary 99
- Key Terms 100
- Apply Your Knowledge 101

4 Sensation and Perception 102

How We Sense and Perceive the World 104

- The Processes and Purposes of Sensation and Perception 104

PSYCHOLOGICAL INQUIRY Old Woman or Young Woman? 106

- Sensory Receptors and the Brain 106

Thresholds 108

CRITICAL CONTROVERSY Can We Feel the Future? 109

PSYCHOLOGICAL INQUIRY Subliminal Perception:

- Working Up a Thirst 111
- Signal Detection Theory 112
- Perceiving Sensory Stimuli 113
- Sensory Adaptation 115

The Visual System 115

- The Visual Stimulus and the Eye 116
- Visual Processing in the Brain 118
- Color Vision 120
- Perceiving Shape, Depth, Motion, and Constancy 122

The Auditory System 126

- The Nature of Sound and How We Experience It 127
- Structures and Functions of the Ear 127
- Theories of Hearing 130
- Auditory Processing in the Brain 130
- Localizing Sound 131

Other Senses 131

- The Skin Senses 131
- The Chemical Senses 134
- The Kinesthetic and Vestibular Senses 136

INTERSECTION Emotion and Sensation: What Do Feelings Smell Like? 137

Sensation, Perception, and Health and Wellness 138

- Summary 139
- Key Terms 140
- Apply Your Knowledge 141

5 States of Consciousness 142

The Nature of Consciousness 144

- Defining Consciousness 145
- Consciousness and the Brain 145
- Levels of Awareness 146

CRITICAL CONTROVERSY Does Conscious Reflection Matter to Matters of Conscience? 148

Sleep and Dreams 150

- Biological Rhythms and Sleep 150
- Why Do We Need Sleep? 152
- Stages of Wakefulness and Sleep 153

PSYCHOLOGICAL INQUIRY Taking a Ride on the Sleep Cycles 156

- Sleep Throughout the Life Span 156
- Sleep and Disease 158
- Sleep Disorders 158
- Dreams 160

Psychoactive Drugs 162

INTERSECTION Consciousness and Neuroscience: Can We Tell What the Brain Is Dreaming About? 163

Uses of Psychoactive Drugs 163

PSYCHOLOGICAL INQUIRY Drug Use by U.S. Teenagers 164

Types of Psychoactive Drugs 165

Hypnosis 172

The Nature of Hypnosis 174

Explaining Hypnosis 174

Uses of Hypnosis 175

Consciousness and Health and Wellness:

Meditation 176

Mindfulness Meditation 176

The Meditative State of Mind 177

Getting Started with Meditation 177

Summary 178

Key Terms 179

Apply Your Knowledge 179

6 Learning 180

Types of Learning 182

Classical Conditioning 183

Pavlov's Studies 184

INTERSECTION Learning and Clinical Psychology:

Can Classical Conditioning Help Us Understand Drug Abuse? 187

PSYCHOLOGICAL INQUIRY From Acquisition to Extinction (to Spontaneous Recovery) 188

Classical Conditioning in Humans 189

Operant Conditioning 192

Defining Operant Conditioning 193

Thorndike's Law of Effect 193

Skinner's Approach to Operant Conditioning 193

Shaping 194

Principles of Reinforcement 195

PSYCHOLOGICAL INQUIRY Schedules of Reinforcement and Different Patterns of Responding 199

Applied Behavior Analysis 201

Observational Learning 202

Cognitive Factors in Learning 203

Purposive Behavior 204

Insight Learning 204

Biological, Cultural, and Psychological Factors in Learning 207

Biological Constraints 207

Cultural Influences 208

Psychological Constraints 209

CRITICAL CONTROVERSY Do Learning Styles Matter to Learning? 210

Learning and Health and Wellness 211

Summary 213

Key Terms 214

Apply Your Knowledge 214

7 Memory 216

The Nature of Memory 218

Memory Encoding 218

Attention 219

Levels of Processing 219

Elaboration 220

Imagery 221

Memory Storage 222

Sensory Memory 222

Short-Term Memory 223

PSYCHOLOGICAL INQUIRY The Inner Workings of

Working Memory 226

Long-Term Memory 226

INTERSECTION Cognitive and Cultural Psychology:

How Does Culture Influence Episodic Memory? 229

Memory Retrieval 234

Serial Position Effect 234

PSYCHOLOGICAL INQUIRY The Serial Position Effect:

Lost in Midstream 235

Retrieval Cues and the Retrieval Task 235

Special Cases of Retrieval 237

CRITICAL CONTROVERSY Can Adults Tell If Children's Memories Are Accurate? 241

Forgetting 243

Encoding Failure 243

Retrieval Failure 244

Study Tips from the Science of Memory 246

Memory and Health and Wellness 248

Keeping Memory Sharp—and Preserving Brain Function 249

Memory and the Shaping of Meaningful Experiences 249

Summary 250

Key Terms 251

Apply Your Knowledge 251

8 Thinking, Intelligence, and Language 252

The Cognitive Revolution in Psychology 254

Thinking 256

Concepts 256

Problem Solving 257

PSYCHOLOGICAL INQUIRY Thinking Outside the Box 259

Reasoning and Decision Making 259

Thinking Critically and Creatively 263

INTERSECTION Cognitive Psychology and Personality: Do Sophisticated Thinkers Avoid the Bias Blind Spot? 264

CRITICAL CONTROVERSY Is There a Link Between Creative Genius and Psychopathology? 266

Intelligence 267

Measuring Intelligence 268

PSYCHOLOGICAL INQUIRY The Normal Curve 270

Genetic and Environmental Influences on Intelligence 271

Extremes of Intelligence 273

Theories of Multiple Intelligences 275

Language 277

The Basic Properties of Language 277

Language and Cognition 278

Biological and Environmental Influences on Language 279

Language Development over the Life Span 283

Thinking, Problem Solving, and Health and Wellness 284

Cognitive Appraisal and Stress 284

Cognitive Reappraisal 285

Summary 286

Key Terms 287

Apply Your Knowledge 287

 **Alternative Chapter: Thinking and Language**

 **Alternative Chapter: Intelligence**

9 Human Development 288

Exploring Human Development 290

Research Methods in Developmental Psychology 291

How Do Nature and Nurture Influence Development? 291

What Is the Developer's Role in Development? 292

Are Early or Later Life Experiences More Important in Development? 292

Child Development 293

Prenatal Development 293

Physical Development in Infancy and Childhood 295

Cognitive Development in Childhood 298

PSYCHOLOGICAL INQUIRY Thinking Critically About Object Permanence 302

Socioemotional Development in Infancy and Childhood 304

INTERSECTION Developmental and Social Psychology: Is Attachment an Enduring Aspect of Life? 306

Moral Development in Childhood 310

Adolescence 311

Physical Development in Adolescence 311

Cognitive Development in Adolescence 312

Socioemotional Development in Adolescence 313

PSYCHOLOGICAL INQUIRY Looking at Identity Exploration 314

Emerging Adulthood, Adult Development, and Aging 315

Emerging Adulthood 315

Physical Development in Adulthood 316

Cognitive Development in Adulthood 318

Socioemotional Development in Adulthood 319

CRITICAL CONTROVERSY Is Parenthood Associated with Happiness? 322

Human Development and Health and Wellness 322

Coping and Adult Development 323

Life Themes and Life-Span Development 323

Summary 324

Key Terms 325

Apply Your Knowledge 325

 **Alternative Chapter: Human Development (topical approach)**

10 Motivation and Emotion 326

Theories of Motivation 328

The Evolutionary Approach 328

Drive Reduction Theory 328

Optimum Arousal Theory 329

Hunger, Obesity, and Eating Disorders 329

PSYCHOLOGICAL INQUIRY Obeying the

(Yerkes-Dodson) Law 330

The Biology of Hunger 330

Obesity 332

Disordered Eating 333

Approaches to Motivation in Everyday Life 336

Maslow's Hierarchy of Human Needs 336

Self-Determination Theory 337

Intrinsic Versus Extrinsic Motivation 338

Self-Regulation: The Successful Pursuit of Goals 338

CRITICAL CONTROVERSY Do Extrinsic Rewards Undermine Intrinsic Motivation? 339

Emotion 340

Biological Factors in Emotion 341

Cognitive Factors in Emotion 344

Behavioral Factors in Emotion 346

INTERSECTION Emotion and Health Psychology:

Can a Smile Protect Against Stress? 347

Sociocultural Factors in Emotion 348

Classifying Emotions 349

PSYCHOLOGICAL INQUIRY The Full Circle of Emotions 350

The Adaptive Functions of Emotions 351

Motivation, Emotion, and Health and Wellness:

The Pursuit of Happiness 352

- Biological Factors in Happiness 352
- Obstacles in the Pursuit of Happiness 352
- Happiness Activities and Goal Striving 353

Summary 354

Key Terms 355

Apply Your Knowledge 355

11 Gender, Sex, and Sexuality 356

Defining Sex and Gender 358

- Sex and Its Biological Components 358
- Gender 359
- Genes, Sex, and Gender 360
- Disorders of Sexual Development 361
- When Genetic Sex and Gender Conflict: Transgender Experience 362

Theories of Gender Development 363

- Biological Approaches 363
- Evolutionary Psychology 364
- Social Cognitive Approaches 365
- Social Role Theory 366
- Evaluating the Theoretical Approaches to Gender 367

INTERSECTION Gender and Neuroscience:

- Are There His and Hers Brains (and Should We Even Ask That Question)? 368

The Psychology of Gender Differences 369

- Emotion, Empathy, and Helping 370

CRITICAL CONTROVERSY Does Autism Spectrum

- Disorder Represent an Extreme Male Brain? 371

Cognitive Ability 371

Aggression 372

Sexuality 373

PSYCHOLOGICAL INQUIRY Sex and Casual Sex 374

- Evaluating the Evidence for Gender Differences 376

Sexual Orientation 376

- Defining Sexual Orientation 376
- Occurrence of the Different Sexual Orientations 377
- Origins of Sexual Orientation: A Scientific Puzzle 377
- Gay and Lesbian Functioning 380

Sexual Behaviors and Practices 382

Sexual Behaviors 382

Sexual Practices 383

PSYCHOLOGICAL INQUIRY Sex in America 383

- The Human Sexual Response Pattern 384
- Cognition and Other Factors in Sexual Behavior 385

Sexual Variations and Disorders 386

- Fetishes 387
- Paraphilic Disorders 387
- Pedophilic Disorder 388
- Disorders of Sexual Desire and Sexual Response 389
- Variations, Disorders, and the Meaning of Normality 389

Sexuality and Health and Wellness 390

Sexual Behavior and Physical Health 390

Sexual Behavior and Psychological Well-Being 391

Summary 392

Key Terms 393

Apply Your Knowledge 393

12 Personality 394

Psychodynamic Perspectives 396

Freud's Psychoanalytic Theory 396

CRITICAL CONTROVERSY Do Defense Mechanisms

Underlie Homophobia? 399

Psychodynamic Critics and Revisionists 401

Evaluating the Psychodynamic Perspectives 403

Humanistic Perspectives 403

Maslow's Approach 403

Rogers's Approach 404

Evaluating the Humanistic Perspectives 405

Trait Perspectives 406

Trait Theories 406

The Five-Factor Model of Personality 407

PSYCHOLOGICAL INQUIRY Your Personality Traits:

- Who Are You? 408

INTERSECTION Personality and Health Psychology:

Are Traits Linked to Obesity? 410

Evaluating the Trait Perspectives 411

Personological and Life Story Perspectives 411

Murray's Personological Approach 412

The Life Story Approach to Identity 412

Evaluating the Personological and Life Story Perspectives 413

Social Cognitive Perspectives 414

Bandura's Social Cognitive Theory 414

Mischel's Contributions 415

Evaluating the Social Cognitive Perspectives 417

Biological Perspectives 417

Personality and the Brain 418

Personality and Behavioral Genetics 420

Evaluating the Biological Perspectives 420

Personality Assessment 421

Self-Report Tests 421

Projective Tests 422

Other Assessment Methods 423

Personality and Health and Wellness 424

Personality and Physical Health 424

PSYCHOLOGICAL INQUIRY A Can-Do Attitude Means

You Can Quit Smoking 426

Personality and Psychological Well-Being 427

Summary 428

Key Terms 429

Apply Your Knowledge 429

13 Social Psychology 430

Social Cognition 432

- Person Perception 432
- Attribution 434
- The Self as a Social Object 435
- Attitudes 436

Social Behavior 440

- Altruism 440
- Aggression 442

Social Influence 446

- Conformity and Obedience 446

INTERSECTION Social Psychology and Cross-Cultural Psychology: Why Are Some Nations More Conforming Than Others? 448

PSYCHOLOGICAL INQUIRY Obedience Then and Now 450

- Group Influence 451

Intergroup Relations 454

- Group Identity 454

CRITICAL CONTROVERSY Is Intelligence Related to Prejudice and Political Beliefs? 459

- Ways to Improve Intergroup Relations 459

PSYCHOLOGICAL INQUIRY Improving Group Relations Through Cooperative Activities 460

Close Relationships 461

- Attraction 461
- Love 462
- Models of Close Relationships 462

Social Psychology and Health and Wellness 463

- Summary 464
- Key Terms 465
- Apply Your Knowledge 465

14 Industrial and Organizational Psychology 466

Origins of Industrial and Organizational Psychology 468

- Scientific Management 468
- Ergonomics: Where Psychology Meets Engineering 469
- The Hawthorne Studies and the Human Relations Approach to Management 469

Industrial Psychology 471

- Job Analysis 471
- Employee Selection 474

PSYCHOLOGICAL INQUIRY The Fastest-Growing

Jobs in the United States 475

Training 478

Performance Appraisal 479

CRITICAL CONTROVERSY Does Self-Efficacy Always Lead to Better Performance? 481

Organizational Psychology 483

- Approaches to Management 483
- Job Satisfaction 485
- Employee Commitment 485
- The Meaning of Work 486
- Leadership 487

INTERSECTION I-O Psychology and Personality Psychology: Are Transformational Leaders in the Eye of the Beholder? 489

Organizational Culture 490

- Positive Organizational Culture 490
- Toxic Factors in the Workplace 491

I-O Psychology and Health and Wellness 493

- Unemployment 493
- Stress at Work 493
- Managing Job Stress 494

PSYCHOLOGICAL INQUIRY You Need a Vacation! 495

- Summary 496
- Key Terms 496
- Apply Your Knowledge 497

15 Psychological Disorders 498

Defining and Explaining Abnormal Behavior 500

- Theoretical Approaches to Psychological Disorders 501
- Classifying Abnormal Behavior 502

CRITICAL CONTROVERSY Does Everyone Have ADHD? 505

Anxiety and Anxiety-Related Disorders 506

- Generalized Anxiety Disorder 506
- Panic Disorder 507
- Specific Phobia 508
- Social Anxiety Disorder 508
- Obsessive-Compulsive Disorder 509
- Post-Traumatic Stress Disorder 511

Disorders Involving Emotion and Mood 511

- Depressive Disorders 511

PSYCHOLOGICAL INQUIRY Depression Among Women and Men Across Cultures 514

- Bipolar Disorder 514

Dissociative Disorders 515

- Dissociative Amnesia 516
- Dissociative Identity Disorder 516

- Schizophrenia 517**
 Symptoms of Schizophrenia 517
 Causes of Schizophrenia 518
PSYCHOLOGICAL INQUIRY The Association of Genes with Schizophrenia 519
- Personality Disorders 521**
 Antisocial Personality Disorder 521
INTERSECTION Clinical Psychology and Personality Psychology: Are Aspects of Psychopathy Related to Leadership Success? 523
 Borderline Personality Disorder 523
- Suicide 524**
 Biological Factors 525
 Psychological Factors 525
 Sociocultural Factors 526
- Psychological Disorders and Health and Wellness 526**
 Consequences of Stigma 527
 Overcoming Stigma 529
Summary 529
Key Terms 530
Apply Your Knowledge 531

16 Therapies 532

- Approaches to Treating Psychological Disorders 534**
 The Psychological Approach to Therapy 534
 The Biological Approach to Therapy 534
- Psychotherapy 536**
 Central Issues in Psychotherapy 536
PSYCHOLOGICAL INQUIRY Does Therapy Work? 537
 Psychodynamic Therapies 539
 Humanistic Therapies 540
 Behavior Therapies 540
PSYCHOLOGICAL INQUIRY Classical Conditioning: The Backbone of Aversive Conditioning 542
 Cognitive Therapies 542
 Therapy Integrations 545
- Biological Therapies 546**
 Drug Therapy 546
CRITICAL CONTROVERSY Do Antidepressants Increase Suicide Risk in Children? 548
 Electroconvulsive Therapy 550
 Psychosurgery 550
- Sociocultural Approaches and Issues in Treatment 551**
 Group Therapy 551
 Family and Couples Therapy 552
 Self-Help Support Groups 553
 Community Mental Health 554
 Cultural Perspectives 554
INTERSECTION Clinical and Cultural Psychology: How Does Culture Influence Responses to Treatment? 555

- Therapies and Health and Wellness 556**
Summary 558
Key Terms 559
Apply Your Knowledge 559

17 Health Psychology 560

- Health Psychology and Behavioral Medicine 562**
 The Biopsychosocial Model 562
 The Relationship Between Mind and Body 563
- Making Positive Life Changes 563**
 Theoretical Models of Change 563
 The Stages of Change Model 564
- Resources for Effective Life Change 567**
 Motivation 567
 Social Relationships 568
 Religious Faith 568
INTERSECTION Health Psychology and Cross-Cultural Psychology: How Does Culture Influence the Meaning of Social Support? 569
PSYCHOLOGICAL INQUIRY Praying for Good Health 570
- Toward a Healthier Mind (and Body): Controlling Stress 570**
 Stress and Its Stages 571
 Stress and the Immune System 572
 Stress and Cardiovascular Disease 573
 Stress and Cancer 573
 Coping with Stress 573
 Strategies for Successful Coping 575
 Stress Management Programs 576
CRITICAL CONTROVERSY How Powerful Is the Power of Positive Thinking? 577
- Toward a Healthier Body (and Mind): Behaving as If Your Life Depends upon It 578**
 Becoming Physically Active 578
PSYCHOLOGICAL INQUIRY Physical Activity: A Matter of Life and Death 579
 Eating Right 580
 Quitting Smoking 581
- Psychology and Your Good Life 582**
Summary 583
Key Terms 584
Apply Your Knowledge 584
