## PART 1

### Introduction to Gerontologic Nursing

#### 1 Overview of Gerontologic Nursing, 1

##### FOUNDATIONS OF THE SPECIALTY OF GERONTOLOGIC NURSING, 1

- History and Evolution, 1
- Professional Origins, 2
- Standards of Practice, 2
- Roles, 3
- Terminology, 4

##### DEMOGRAPHIC PROFILE OF THE OLDER POPULATION, 4

- The Older Population, 5
- Highlights of the Profile of Older Americans, 5
- Gender and Marital Status, 6
- Race and Ethnicity, 6
- Living Arrangements, 6
- Geographic Distribution, 6
- Education, 7
- Income and Poverty, 7
- Employment, 7

##### HEALTH STATUS OF OLDER ADULTS, 8

- Self-Assessed Health and Chronic Disease, 8
- Functional Status, 8
- Health Care Expenditure and Use, 9
- Implications for Health Care Delivery, 9
- Acute Care Setting, 9
- Nursing Facilities, 10
- Home Care, 10
- Continuum of Care, 10

##### IMPACT OF AN AGING POPULATION ON GERONTOLOGIC NURSING, 11

- Ageism, 11
- Nursing Education, 11
- Nursing Practice, 12
- Nursing Research, 13

##### SUMMARY, 13

##### REFERENCES, 14

#### 2 Theories of Aging, 16

##### BIOLOGIC THEORIES OF AGING, 17

- Stochastic Theories, 17
- Nonstochastic Theories, 19
- Emerging Theories, 19
- Implications for Nursing, 20

##### SOCIOLOGIC THEORIES OF AGING, 22

- Disengagement Theory, 22

Activity Theory or Developmental Task Theory, 22

Continuity Theory, 23

Age Stratification Theory, 23

Person–Environment Fit Theory, 23

Implications for Nursing, 23

##### PSYCHOLOGIC THEORIES OF AGING, 24

Maslow's Hierarchy of Human Needs, 24

Jung's Theory of Individualism, 25

Eight Stages of Life, 25

Selective Optimization with Compensation, 26

Implications for Nursing, 26

##### MORAL AND SPIRITUAL DEVELOPMENT, 27

##### SUMMARY, 27

##### REFERENCES, 28

#### 3 Legal and Ethical Issues, 29

##### PROFESSIONAL STANDARDS: THEIR ORIGIN AND LEGAL SIGNIFICANCE, 29

##### OVERVIEW OF RELEVANT LAWS, 30

Sources of Law, 30

Federal and State Laws, 30

Health Insurance Portability and Accountability Act of 1996 (HIPAA), 31

##### ELDER ABUSE AND PROTECTIVE SERVICES, 31

##### NURSING FACILITY REFORM, 33

OBRA's Three Major Parts, 33

Provision of Service Requirements, 33

Proposed Legislative Changes, 37

##### AUTONOMY AND SELF-DETERMINATION, 37

Do Not Resuscitate Orders, 38

Advance Medical Directives, 39

Legal Tools, 39

Decision Diagram, 40

Conflicts between Directives and

Family Desires, 41

##### THE PATIENT SELF-DETERMINATION ACT, 42

Background: The Cruzan Case, 42

Clear and Convincing Proof, 42

The Four Significant Provisions of the PSDA, 43

Nurses' Responsibilities, 43

Problems and Ethical Dilemmas Associated with Implementation of the PSDA, 43

##### VALUES HISTORY, 44

##### NURSES' ETHICAL CODE AND END-OF-LIFE CARE, 44

Ethical Dilemmas and Considerations, 45

Experimentation and Research, 46

Organ Donation, 46

Ethics Committees, 46

SUMMARY, 47

REFERENCES, 48

APPENDIX 3A, 50

Values History Form, 50

SECTION 1, 50

A. Written Legal Documents, 50

B. Wishes Concerning Specific Medical Procedures, 50

C. General Comments, 51

SECTION 2, 51

A. Your Overall Attitude toward Your Health, 51

B. Your Perception of the Role of Your Doctor and Other Health Caregivers, 51

C. Your Thoughts about Independence and Control, 51

D. Your Personal Relationships, 52

E. Your Overall Attitude toward Life, 52

F. Your Attitude toward Illness, Dying, and Death, 52

G. Your Religious Background and Beliefs, 52

H. Your Living Environment, 53

I. Your Attitude Concerning Finances, 53

J. Your Wishes Concerning Your Funeral, 53

OPTIONAL QUESTIONS, 53

SUGGESTIONS FOR USE, 53

## 4 Gerontologic Assessment, 54

SPECIAL CONSIDERATIONS AFFECTING ASSESSMENT, 55

INTERRELATIONSHIP BETWEEN PHYSICAL AND PSYCHOSOCIAL ASPECTS OF AGING, 55

NATURE OF DISEASE AND DISABILITY AND THEIR EFFECTS ON FUNCTIONAL STATUS, 56

Decreased Efficiency of Homeostatic Mechanisms, 56

Lack of Standards for Health and Illness Norms, 56

Altered Presentation of and Response to Specific Diseases, 57

TAILORING THE NURSING ASSESSMENT TO THE OLDER PERSON, 59

THE HEALTH HISTORY, 60

The Interviewer, 60

The Patient, 65

The Health History Format, 66

The Physical Assessment Approach and Sequence, 70

Equipment and Skills, 71

ADDITIONAL ASSESSMENT MEASURES, 71

Functional Status Assessment, 71

Cognitive or Affective Assessment, 75

Social Assessment, 78

LABORATORY DATA, 80

SUMMARY, 80

REFERENCES, 81

## PART 2

### Influences on Health and Illness

#### 5 Cultural Influences, 83

DIVERSITY OF THE OLDER ADULT POPULATION IN THE UNITED STATES, 83

CULTURALLY SENSITIVE GERONTOLOGIC NURSING CARE, 84

Awareness, 86

Knowledge, 86

Cultural Concepts, 86

Beliefs about Health and Illness, 89

Transcending Cultural Concepts, 91

SKILLS, 92

Handshake, 92

Eye Contact, 93

Interpreters, 93

PUTTING IT TOGETHER, 93

Leininger, 93

The Explanatory Model, 94

The LEARN Model, 95

SUMMARY, 95

REFERENCES, 96

#### 6 Family Influences, 97

ROLE AND FUNCTION OF FAMILIES, 97

COMMON LATE-LIFE FAMILY ISSUES AND DECISIONS, 99

Changes in Living Arrangements, 99

Making a Decision About a Care Facility, 100

Financial and Legal Concerns, 101

End-of-Life Health Care Decisions, 102

The Issue of Driving, 103

Family Caregiving, 103

INTERVENTIONS TO SUPPORT FAMILY CAREGIVERS, 106

Education, 106

Respite Programs, 107

Support Groups, 108

Family Meetings, 110

WORKING WITH FAMILIES OF OLDER ADULTS: CONSIDERATIONS AND STRATEGIES, 110

Identifying Who the Patient Is and Who the Family Is, 110

Assessing the Family, 111

Encouraging Families to Plan in Advance of Need, 113

Involving the Older Person in Decision Making, 114

Validating Feelings, 114

Addressing Feelings of Guilt, 115

Emphasizing Goodness of Intent of Actions, 115

Recognizing the Nurse's Role as Permission Giver, 115

Recommending a Decision-Making Model to Families, 116

SUMMARY, 117

REFERENCES, 118

## 7 Socioeconomic and Environmental Influences, 120

### SOCIOECONOMIC FACTORS, 121

- Age Cohorts, 121
- Income Sources, 121
- Poverty, 123
- Education, 124
- Health Status, 125
- Insurance Coverage, 125
- Support Systems, 126
- Benefits and Entitlements, 127
- Area Agencies on Aging, 128
- Conservators and Guardians, 128

### ENVIRONMENTAL INFLUENCES, 128

- Geographic Location of Residence, 129
- Transportation, 129
- Housing, 129
- Criminal Victimization, 132

### ADVOCACY, 134

### SUMMARY, 135

### REFERENCES, 136

### RESOURCES, 138

### ORGANIZATIONS OF OLDER ADULTS, 138

### ORGANIZATIONS OF PROFESSIONALS WORKING IN THE FIELD OF AGING, 138

### ORGANIZATIONS OF BOTH PROFESSIONALS AND OLDER ADULTS, 138

## 8 Health Promotion and Illness/ Disability Prevention, 139

### ESSENTIALS OF HEALTH PROMOTION FOR AGING ADULTS, 139

- Terminology, 140

### MODELS OF HEALTH PROMOTION, 141

### BARRIERS TO HEALTH PROMOTION AND DISEASE PREVENTION, 141

- Health Care Professionals' Barriers to Health Promotion, 141
- Older Adults' Barriers to Health Promotion, 141

### HEALTH PROTECTION, 142

### DISEASE PREVENTION, 142

- Primary Preventive Measures, 142
- Secondary Preventive Measures, 143
- Tertiary Preventive Measures, 144

### THE NURSE'S ROLE IN HEALTH PROMOTION AND DISEASE PREVENTION, 145

- Requisite Knowledge, 145
- Assessment, 146
- Self-Perception or Self-Concept Pattern, 146
- Roles or Relationships Pattern, 146
- Health Perception or Health Management Pattern, 146
- Nutritional or Metabolic Pattern, 147

- Coping or Stress-Tolerance Pattern, 147
- Cognitive or Perceptual Pattern, 147
- Value or Belief Pattern, 147
- Activity or Exercise Pattern, 148
- Rest or Sleep Pattern, 148
- Sexuality or Reproductive Pattern, 148
- Elimination Pattern, 148
- Planning, 148
- Implementation, 148
- Evaluation, 149

### SUPPORTING EMPOWERMENT OF OLDER ADULTS, 149

### SUMMARY, 150

### REFERENCES, 151

### WEBSITES, 152

## 9 Health Care Delivery Settings and Older Adults, 153

### CHARACTERISTICS OF OLDER ADULTS IN ACUTE CARE, 154

### CHARACTERISTICS OF THE ACUTE CARE ENVIRONMENT, 154

- Philosophy of Care, 154
- Risks of Hospitalization, 154
- Safety Features, 155

### NURSING IN THE ACUTE CARE SETTING, 155

- Nursing-Specific Competency and Expertise, 156
- Critical Care and Trauma Care, 156

### HOME CARE AND HOSPICE, 157

### FACTORS AFFECTING THE HEALTH CARE NEEDS OF NONINSTITUTIONALIZED OLDER ADULTS, 158

- Functional Status, 158
- Cognitive Function, 158
- Housing Options for Older Adults, 158

### COMMUNITY-BASED SERVICES, 159

- Use of Community and Home-Based Services by Older Adults, 159
- Profile of Community- and Home-Based Services, 160

### HOME HEALTH CARE, 162

- Home Health Agency, 162
- Proprietary Agencies, 162
- Facility-Based Agencies, 162
- Visiting Nurse Associations, 163
- Benefits of Home Care, 163

### CONTINUITY OF CARE, 163

- Role of the Home Care Agency, 164

### IMPLEMENTING THE PLAN OF TREATMENT, 165

- The Nurse's Role, 165
- Role of the Home Health Aide, 165

### OASIS, 166

### HOSPICE, 166

- Hospice Philosophy, 166

## OVERVIEW OF LONG-TERM CARE, 167

- Definition, 167
- Factors Associated with Institutionalization, 168
- Medical and Psychosocial Models of Care, 168

## CLINICAL ASPECTS OF THE NURSING FACILITY, 169

- Resident Rights, 169
- Resident Assessment, 169
- Skin Care, 170
- Incontinence, 170
- Nutrition, 171
- Medications, 171
- Rehabilitation, 172
- Infection Control, 172
- Mental Health, 173
- End-of-Life Care, 173

## MANAGEMENT ASPECTS OF THE NURSING FACILITY, 173

- The Nursing Department, 173
- Nursing Care Delivery Systems, 174

## SPECIALTY CARE SETTINGS, 174

- Assisted Living Programs, 174
- Special Care Units, 175
- Subacute Care, 175

## INNOVATIONS IN THE NURSING FACILITY, 175

- Creativity in "Everyday" Nursing Facilities, 175
- Nurse Practitioners in the Nursing Facility, 177

## THE FUTURE OF THE NURSING FACILITY, 177

## SUMMARY, 177

## REFERENCES, 179

## PART 3

## Wellness Issues

**10 Nutrition, 181**

- SOCIAL AND CULTURAL ASPECTS OF FOOD, 181
- DEMOGRAPHICS OF THE AGING POPULATION, 183
- PHYSIOLOGIC CHANGES IN AGING THAT AFFECT NUTRITIONAL STATUS, 184
- PSYCHOSOCIAL AND SOCIOECONOMIC FACTORS RELATED TO MALNUTRITION, 185
- NUTRITIONAL SCREENING AND ASSESSMENT, 185
  - Nutritional Screening, 185
  - Nutritional Assessment, 190
- NUTRITIONAL GUIDELINES FOR ALL AGES, 192
  - Dietary Reference Intakes, 193
  - Food Labeling, 193
- DRUG-NUTRIENT INTERACTIONS, 195
- NURSING DIAGNOSES ASSOCIATED WITH NUTRITIONAL PROBLEMS, 195

## SPECIALIZED NUTRITIONAL SUPPORT, 196

## FAILURE TO THRIVE, 198

## SUMMARY, 199

## REFERENCES, 200

**11 Sleep and Activity, 202**

## SLEEP AND OLDER ADULTS, 202

- Biologic Brain Functions Responsible for Sleep, 202
- Stages of Sleep, 202
- Sleep and Circadian Rhythm, 203
- Insomnia, 203
- Age-Related Changes in Sleep, 203
- Factors Affecting Sleep, 204
- Lifestyle Changes, 205
- Sleep Disorders and Conditions, 207
- Getting a Good Night's Sleep, 209

## ACTIVITY AND OLDER ADULTS, 211

- Activities of Daily Living, 211
- Physical Exercise, 211
- Activity as Affected by Lifestyle Changes, 213
- Activity Affected by Alzheimer Disease and Other Dementias, 214

## SUMMARY, 216

## REFERENCES, 216

**12 Safety, 218**

## FALLS, 218

- Overview and Magnitude of the Problem, 218
- Definition of Falling, 219
- Meaning of Falling to Older Adults, 220
- Normal Age-Related Changes Contributing to Falling, 220
- Fall Risk, 221
- Fall Antecedents and Fall Classification, 224
- Fall Consequences, 224
- Evaluation of Patients Who Fall, 226

## NURSING MANAGEMENT OF FALLS, 227

## SAFETY AND THE HOME ENVIRONMENT, 228

- Burn Injuries in the Home, 229
- Other Injuries in the Home, 230
- Foodborne Illnesses, 231

## SEASONAL SAFETY ISSUES, 232

- Hypothermia and Hyperthermia in Older Adults, 232

## DISASTERS, 234

## STORAGE OF MEDICATIONS AND HEALTH CARE SUPPLIES IN THE HOME, 234

## LIVING ALONE, 234

## AUTOMOBILE SAFETY, 234

## ABUSE AND NEGLECT, 236

## FIREARMS, 236

SUMMARY, 237  
REFERENCES, 238

### 13 Sexuality and Aging, 241

OLDER ADULT NEEDS FOR SEXUALITY AND INTIMACY, 241  
THE IMPORTANCE OF INTIMACY AMONG OLDER ADULTS, 241  
NURSING'S RELUCTANCE TO MANAGE THE SEXUALITY OF OLDER ADULTS, 242  
NORMAL CHANGES OF THE AGING SEXUAL RESPONSE, 243  
PHYSIOLOGIC CHANGES, 243  
PATHOLOGIC CONDITIONS AFFECTING OLDER ADULTS' SEXUAL RESPONSES, 244  
    Illness, Surgery, and Medication, 244  
    Human Immunodeficiency Virus, 244  
    Malignancies, 245  
    Dementia, 246  
ENVIRONMENTAL AND PSYCHOSOCIAL BARRIERS TO SEXUAL PRACTICE, 246  
ALTERNATIVE SEXUAL PRACTICE AMONG OLDER ADULTS, 246  
NURSING MANAGEMENT, 247  
SUMMARY, 252  
REFERENCES, 253

## PART 4

### Common Psychophysiologic Stressors

#### 14 Pain, 255

UNDERSTANDING PAIN, 255  
    Definition, 255  
    Pain Classification, 256  
    Scope of the Problem of Pain, 256  
    Consequences of Unrelieved Pain, 257  
    Epidemiology of Pain, 257  
PATHOPHYSIOLOGY OF PAIN IN OLDER ADULTS, 257  
    Atypical Acute Pain in Older Adults, 257  
BARRIERS TO EFFECTIVE PAIN MANAGEMENT IN OLDER ADULTS, 258  
PAIN ASSESSMENT, 259  
    Pain Assessment and Culture, 260  
    Pain Assessment Tools, 260  
NURSING CARE OF OLDER ADULTS WITH PAIN, 262  
    Pharmacologic Treatment, 262  
    Planning Pain Relief, 266  
SUMMARY, 266  
REFERENCES, 268

#### 15 Infection, 270

THE CHAIN OF INFECTION, 270  
AGE-RELATED CHANGES IN THE IMMUNE SYSTEM, 271  
FACTORS AFFECTING IMMUNOCOMPETENCE, 271  
    Nutritional Factors, 271  
    Psychosocial Factors, 272  
    Medications, 272  
    Herbs, 272  
COMMON PROBLEMS AND CONDITIONS, 272  
    Influenza and Pneumonia, 272  
    Cancer, 273  
    Autoimmunity, 273  
HUMAN IMMUNODEFICIENCY VIRUS INFECTION IN OLDER ADULTS, 274  
SIGNIFICANT NOSOCOMIAL PATHOGENS, 274  
    *Clostridium difficile*, 274  
    Vancomycin-Resistant Enterococcus, 274  
    Methicillin-Resistant *Staphylococcus aureus*, 275  
NURSING MANAGEMENT, 275  
SUMMARY, 279  
REFERENCES, 279

#### 16 Chronic Illness and Rehabilitation, 281

CHRONICITY, 281  
    Prevalence of Chronic Illness, 282  
    Cultural Competency, 283  
    Quality of Life and Health-Related Quality of Life, 283  
    Adherence in Chronic Illness, 284  
    Psychosocial Needs of Older Adults with Chronic Illness, 285  
    Trajectory Framework, 285  
    Older Adults and Chronic Illness, 285  
    Physiologic Needs of Chronically Ill Older Adults, 287  
    Effect of Chronic Illness on Family and Caregivers, 287  
    Nursing Implications of Caregiver Stress, 288  
REHABILITATION, 288  
    Care Environments, 289  
    Reimbursement Issues, 289  
    Public Policy and Legislation, 289  
    Enhancement of Fitness and Function, 290  
    Functional Assessment, 290  
    Keys for Completing a Functional Assessment, 290  
    Health Promotion, 290  
    Management of Disabling Disorders, 291  
    Life Issues, 291  
    Nursing Strategies, 292  
SUMMARY, 292  
REFERENCES, 293  
RESOURCES, 295

**17 Cancer, 296**

## INCIDENCE, 296

Racial and Ethnic Patterns, 297

## AGING AND ITS RELATIONSHIP TO CANCER, 299

Aging and Cancer Prevention, 300

## COMMON MALIGNANCIES IN OLDER ADULTS, 301

Lung Cancer, 301

Breast Cancer, 302

Prostate Cancer, 304

Colorectal Cancer, 305

## SCREENING AND EARLY DETECTION: ISSUES FOR OLDER ADULTS, 305

## MAJOR TREATMENT MODALITIES, 308

Surgery, 309

Radiation Therapy, 309

Chemotherapy, 310

Biologic Therapy, 312

Endocrine Therapy, 312

## COMMON PHYSIOLOGIC COMPLICATIONS, 312

Bone Marrow Suppression, 313

Infection, 313

Nausea and Vomiting, 314

Chemotherapy-Induced Oral Mucositis, 314

Anorexia, 315

Diarrhea, 315

Alopecia, 316
