Chapter 1 Workplace Health Promotion Program Foundations 3

What Are Workplace Health Promotion Programs?	3
Historical Context for Workplace Health Promotion	5
Impact of the Patient Protection and Affordable Care Act on Workplace Health Promotion	13
Workplace Health Promotion Controversies and Pitfalls	16
Summary	20
For Practice and Discussion	21
Case Study: What Is a Workplace Health Promotion Pro- gram?—What Would You Do?	22
Key Terms	23
References	23

Chapter 2 Health Promotion Approaches, Theories, and Models Applied to Workplace Health Promotion 27

Workplace Health Promotion Approaches	27
Health Theory's Role in Workplace Health Promotion Programs	36
Workplace Health Promotion Program Planning Models	40
Guidelines for Choosing Approaches, Theories, and Models	45
Summary	50
For Practice and Discussion	50
Case Study: Using Health Approaches, Theory, and Models—What Would You Do?	50
Key Terms	51
References	52

Chapter 3	Human Resource Management Makes Health a Priority	53
	Human Resources, the Workplace Health Promotion Program's Gatekeeper	53
	Human Resource Management and Human Resource Departments	54
	Human Resource Professions With Responsibilities for Workplace Health Promotion	57
	Health Insurance Benefits and Providers	63
	Four Human Resource Management Actions for Quality Workplace Health Promotion Programs	66
	Summary	71
	For Practice and Discussion	72
	Case Study: Strategic Human Resource Management—What Would You Do?	73
	Key Terms	74
	References	74
Part Two:	Planning	77
Chapter 4	Program Planning and Initial Actions	79
	Workplace Health Promotion Program Planning Elements and Management	79
	Data Gathering Equals Needs Assessments	84
	Workplace Health Readiness	88
	Workplace Capacity for Health	93
	Summary	99
	For Practice and Discussion	99
	Case Study: Program Planning Needs Assessment Challenges—What Would You Do?	100
	Key Terms	101
	References	102
Chapter 5	Assessing the Strength of Workplace Health Promotion Champions, Advocates, Culture, and Climate	105
	Champions and Advocates for Workplace Health Promotion	105
	Health Promoting Workplace Culture and Climate	106
	Importance of Workplace Health Policy and Procedures	113
	Legal Issues in Health Policies and Procedures	117
	Summary	125
	For Practice and Discussion	126

Case Study: Finding Champions and Advocates—What Would You Do?	127
Key Terms	127
References.	127
Chapter 6 Assessing Workplace Health Promotion Teams, Partnerships, and Collaborations	129
Teams, Partnerships, and Collaborations: A Socioecological Approach to Promote Employee and Employer Health.	129
Workplace Teams.	130
Partnerships: What to Look For	138
Collaborations Work at the Regional, State, National, and International Level.	143
Summary	146
For Practice and Discussion.	146
Case Study: Newly Promoted National Health and Safety Director—What Would You Do?	148
Key Terms	148
References.	149
Chapter 7 Assessing Employee Health Needs and Transition to Implementation	151
Employee Health Needs Assessment Data and Sources	151
Use Needs Assessment Results to Support and Make Program Decisions	159
What to Expect to Have and to Know at the Conclusion of the Planning Process	170
Summary	172
For Practice and Discussion.	172
Case Study: Employee Participation in HRA and Biometric Screening—What Would You Do?	173
Key Terms	174
References.	174
Part Three: Implementation	177
Chapter 8 Workplace Health Promotion Program Implementation Health Priority: Physical Health	179
Program Implementation: Physical Health Priority.	179
Evidence-Based Physical Health Policies, Practices, Interventions, and Services	180
Factory Floor- and Office-Level Evidence-Based Physical Health Interventions and Practices	189

Physical Health Priority Implementation Challenges	191
Advocacy and Resource Partnerships and Organizations	194
Summary	196
For Practice and Discussion	196
Case Study: Walmart Corporation Health Centers—What Would You Do?	197
Key Terms	198
References	198
Chapter 9 Workplace Health Promotion Program Implemen- tation Health Priority: Mental and Behavioral Health	201
Program Implementation: Mental and Behavioral Health Priority	201
Evidence-Based Mental and Behavioral Health Policies, Practices, Interventions, and Services	202
Factory Floor- and Office-Level Evidence-Based Mental Health Interventions and Practices	212
Mental and Behavioral Health Priority Implementation Challenges	213
Advocacy and Resource Partnerships and Organizations	216
Summary	217
For Practice and Discussion	218
Case Study: Employer and Employee Mental Health Promotion—What Would You Do?	219
Key Terms	220
References	220
Chapter 10 Workplace Health Promotion Program Implemen- tation Health Priority: Physical Activity	223
Program Implementation: Physical Activity Priority	223
Evidence-Based Physical Activity Policies, Practices, Interventions, and Services	224
Factory Floor- and Office-Level Evidence-Based Physical Activity Interventions and Practices	231
Physical Activity Priority Implementation Challenges	233
Advocacy and Resource Partnerships and Organizations	236
Summary	238
For Practice and Discussion	238
Case Study: Encouraging Employees' Physical Activity—What Would You Do?	239

Key Terms	240
References.	240
Chapter 11 Workplace Health Promotion Program Implementation Health Priority: Nutrition	243
Program Implementation: Nutrition Priority	243
Evidence-Based Nutrition Policies, Practices, Interventions, and Services	244
Factory Floor- and Office-Level Evidence-Based Nutrition Interventions and Practices	252
Nutrition Implementation Challenges	254
Advocacy and Resource Partnerships and Organizations	256
Summary	258
For Practice and Discussion	259
Case Study: Nutrition Program Implementation—What Would You Do?	260
Key Terms	261
References.	261
Chapter 12 Workplace Health Promotion Program Implemen- tation Health Priority: Physically Healthy and Safe Environments	265
Physically Healthy and Safe Workplace Environments Priority	265
Evidence-Based Physically Healthy and Safe Workplace Environment Policies, Practices, Interventions, and Services	267
Factory Floor- and Office-Level Evidence-Based Physically Healthy and Safe Workplace Interventions and Practices	273
Physically Healthy and Safe Workplace Environment Priority Implementation Challenges	274
Advocacy and Resource Partnerships and Organizations	279
Summary	282
For Practice and Discussion	282
Case Study: Safety Inspector Career Guidance Unit—What Would You Do?	284
Key Terms	285
References.	285
Chapter 13 Workplace Health Promotion Program Implemen- tation Health Priority: Psychologically Healthy and Safe Environments	287
Program Implementation: Psychologically Healthy and Safe Workplace Environments Priority	287

Evidence-Based Psychologically Healthy and Safe Environment Policies, Practices, Interventions, and Services	288
Factory Floor- and Office-Level Evidenced-Based Psychologically Healthy and Safe Workplace Interventions and Practices	295
Psychologically Healthy and Safe Workplace Environment Priority Implementation Challenges	296
Advocacy and Resource Partnerships and Organizations	301
Summary	303
For Practice and Discussion	303
Case Study: Sexual Images and Videos on Employee Computer—What Would You Do?	304
Key Terms	305
References	305
Chapter 14 Workplace Health Promotion Program Implementation Health Priority: Health Education in an eHealth Environment	309
Program Implementation: Health Education Priority in an eHealth Environment	309
Evidence-Based Health Education Policies, Practices, Interventions, and Services in an eHealth Environment	311
Factory Floor- and Office-Level Evidence-Based Health Education Interventions and Practices	317
Health Education Priority Implementation Challenges in an eHealth Environment	320
Advocacy and Resource Partnerships and Organizations	324
Summary	325
For Practice and Discussion	325
Case Study: Union and Employee eHealth Concerns—What Would You Do?	326
Key Terms	327
References	327
Part Four: Evaluation	331
Chapter 15 Best Practices in Workplace Health Promotion Program Evaluation	333
Population Health Management Evaluation Framework	333
Two Main Purposes of Program Evaluation: Improvement and Accountability	336

Economic Evaluations Including Return on Investment	339
Feasible, Scalable, Sustainable, and Scientific Workplace Evaluations.	346
Strategic Alignment, Innovation, and Business Intelligence and Knowledge Management.	348
Summary	349
For Practice and Discussion	350
Case Study: Patient Protection and Affordable Care Act Program Evaluation Influence—What Would You Do?	351
Key Terms	352
References.	352

Chapter 16 Big Data, Health Information Management, Health Informatics, and Workplace Health Promotion 355

Big Data for Workplace Health Promotion	355
Health Information Management and Health Informatics Professionals: Big Data Professional Fields	360
How Big Data Can Enhance the Impact and Sustainability of Workplace Health Promotion Programs	363
Workplace Health Promotion Big Data Evaluation Challenges	364
Big Data Applications and Services for Workplace Health Promotion	367
Summary	370
For Practice and Discussion	370
Case Study: Getting the Data You Need and Can Use—What Would You Do?	371
Key Terms	372
References.	372

Part Five: Workplaces 375

Chapter 17 Small and Midsize Employers and Health Promotion 377

How Small and Midsize Employers Promote Employee Health.	377
How to Work With Small and Midsize Employers to Promote Worker Health	383
Challenges and Opportunities for Small and Midsize Employer Health Promotion Programs	386
Small and Midsize Employer Workplace Health Promotion Tools and Resources	389

Summary	393
For Practice and Discussion	394
Case Study: Small Business Exhaustion—What Would You Do?	395
Key Terms	395
References.	395
Chapter 18 Hospital Employee Health Promotion Programs	399
How Hospitals Promote Employee Health	399
How to Work With Hospitals to Promote Employee Health	401
Challenges and Opportunities for Hospital Employee Health Promotion Programs	410
Hospital Employee Health Promotion Tools and Resources	412
Summary	415
For Practice and Discussion	416
Case Study: Hospital Worker Sleep Hygiene Program—What Would You Do?	416
Key Terms	417
References.	417
Chapter 19 Federal Government Employee Health Promotion.	421
How the Federal Government Promotes Employee Health	421
How to Work With the Federal Government to Promote Employee Health	427
Challenges and Opportunities for Federal Employee Workplace Health Promotion Programs	432
Federal Government Employee Workplace Health Promotion Tools and Resources	435
Summary	438
For Practice and Discussion	438
Case Study: Getting a Job Working at FedStrive—What Would You Do?	439
Key Terms	440
References.	440
Chapter 20 School and University Workplace Employee Health Promotion	443
How Schools and Universities Promote Employee Health	443
How to Work With Schools and Universities to Promote Employee Health	447

School and University Workplace Employee Health	
Promotion Program Challenges and Opportunities	454
Schools and University Workplace Employee Health	
Promotion Tools and Resources	458
Summary	460
For Practice and Discussion	461
Case Study: Innovative Teacher and Staff Health Promotion	
Program Recruitment—What Would You Do?.	461
Key Terms	462
References.	462
Index.	465
