Original Articles

28 Integrated Physical and Mental Health Care at a Nurse-Managed Clinic: Report from the Trenches

A quality universal health system can enable APNs to provide accessible primary care in the near future.
Deena Nardi

35 Providing Nursing Leadership in a Community Residential Mental Health Setting

Two vignettes reveal how resilient nurses—regardless of their job title or position within an organization—can ease the worldwide burden of mental illness.
Frances A. Hughes and Anita Bamford

43 Simulation to Enhance Care of Patients with Psychiatric and Behavioral Issues: Use in Clinical Settings

Nurses take center stage and mimic the reality of clinical environments in an effort to create a therapeutic relationship with patients.
Joan S. Grant, Norman L. Keltner, and Greg Eagerton
