Original Articles

24 **The Incidence of Metabolic Risk Factors
in an Inpatient Psychiatric Setting**

Focusing on 5 risk factors can inform lifestyle changes to eradicate cardiovascular disease and obesity in psychiatric inpatients.

*Catherine Coakley, Paula Bolton, Linda Flaherty,
Lynne M. Kopeski, Karen Slifka, and Melissa A. Sutherland*

32 **Traumatic Brain Injury and Suicide**

How likely is suicide to occur in patients with TBI? Knowing the risks, as well as which treatments work best, could save lives.

Roy R. Reeves and Janet T. Laizer

39 **Youth Advisors Driving Action:
Hearing the Youth Voice in Mental
Health Systems of Care**

Youth know what they want; just ask them. Then use that information to tailor effective mental health services for children and teens.

*Karen Davis-Brown, Naemah Carter, and
Bethany D. Miller*
