Original Articles

22 **Sexting: Serious Problems for Youth**

Explore ways to assess, intervene, and evaluate adolescents who partake in this risky global social phenomenon.

Nancy R. Ahern and Brandy Mechling

32 **Use of Seclusion: Finding the Voice of the Patient to Influence Practice**

Open communication with staff and positive coping skills may help patients avoid seclusion.

Kristine M. Faschingbauer, Cynthia Peden-McAlpine, and Wendy Tempel

39 **Educating Law Enforcement Officers about Mental Illness: Nurses as Teachers**

An 8-session training program was implemented in one city's police department to help officers enhance their understanding, knowledge, and competency in managing field encounters with individuals with mental illness.

Jeannine S. Loucks
