- 19** Product Update
- 21** Clip & Save: Drug Chart  
Bipolar Disorders
- 23** The Comparative Cardiac  
Effects of Haloperidol and  
Quetiapine: Parsing a Review  
*Robert H. Howland*

## Original Articles

- 34** **Appreciative Inquiry: A Research Tool for Mental Health Services**  
Practitioners using this method can create an environment that is nonthreatening and nonjudgmental while still seeking answers to the questions posed.  
*Julia L. Hennessy and Frances Hughes*
- 42** **Afghanistan and Iraq War Veterans' Health Care Needs and Their Underuse of Health Care Resources: Implications for Psychiatric-Mental Health Nurses**  
No matter how accessible care is, the individual Veteran's perceptions, values, and beliefs about his or her health issues and need for care influence the decision to seek treatment.  
*Uchenna Nworah, Lene Symes, Anne Young, and Rae Langford*
- 50** **Black Southern Rural Adolescents' HIV Stigma, Denial, and Misconceptions and Implications for HIV Prevention**  
Participants in this study reported that members of their rural communities were ashamed and too uncomfortable to talk about HIV, even though HIV risk information was needed to prevent the spread of the disease.  
*Kendra Piper, Comfort Enah, and Melanie Daniel*
