Buprenorphine/Naloxone and
Benzodiazepine Drugs
Robert H. Howland

Original Articles

20 **Decreasing Psychiatric Admission Wait Time in the Emergency Department by Facilitating Psychiatric Discharges**

Using Plan-Do-Study-Act cycles, the authors sought to improve discharge processes and timeliness through initiation of new practices.

Pamela R. Stover and Scott Harpin

28 **Motivational Interviewing Approach Used by a Community Mental Health Team**

Psychiatric support services may benefit by implementing this approach to facilitate better illness management for patients in the community.

Sharon Chay Huang Tan, Mindy Wen Hui Lee, Gentatsu Tan Xiong Lim, Joseph Jern-Yi Leong, and Cheng Lee

38 **Voices of Women Facing HIV-Related Stigma in the Deep South**

Isolation, threat to self-concept, and fear of disclosure were themes identified by women in the current study.

Michael V. Relf, Megan Williams, and Julie Barroso
