Pharmacology Focus

- 18 Product Update
- 21 Clip & Save: Drug Chart
Overweight and Obesity
- 23 Psychotropic Medication: What
Will It Do To My Liver?
Robert H. Howland

Original Articles

- 32 **Palliative Care for Terminally Ill
Individuals with Schizophrenia**
A case study of a terminally ill patient with
schizophrenia is presented, as well as palliative care
interventions proposed in the literature.
Terry L. Terpstra, Shelley Williamson, and Tammy Terpstra

- 39 **The Suitcase Simulation: An Effective
and Inexpensive Psychiatric Nursing
Teaching Activity**
This simulation provided students and faculty with
an engaging and educational experience and may be
used for teaching patient safety.
Joan C. Masters, Mary Frances Kane, and Mary Ellen Pike

- 45 **Channeling Jane Austen: How
it Helped Me Become a Better
Psychotherapist**
Jane Austen's characters can inform the work of nurse
therapists in the 21st century.
Christi R. Carver
