Individualized Skills Training Program for Community-Dwelling Adults with Mild Alzheimer's Disease

Preparing oatmeal may seem like an easy task, but for those with Alzheimer's disease the steps involved in basic food preparation are a challenge. Learn how to simplify the process and help adults preserve function.

Alicia J. Curtin, PhD, GNP-BC

Washington State Death with Dignity Act: Implications for Long-Term Care

Currently, only three states have laws allowing physician-assisted suicide, but several other states are considering similar legislation. Do you know your facility's stance on end-of-life options?

Karen S. Feldt, PhD, APRN, GNP-BC; Gail E. Bond, PhD, RN; Dana Jacobson, RN, BA; and Janine Clymin, RN, BS

Health Literacy Among Older Adults: A Systematic Literature Review

Along with health care reform come changes that will require patients to access, read, and comprehend new information. This review examines the research conducted on how older adults interpret such critical data.

Herlinda Zamora, MSN, RN; and Evelyn M. Clingerman, PhD, RN
