SPECIAL ISSUE: ENGAGING WITH AGING

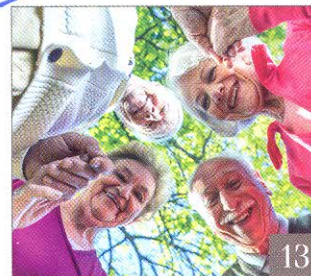

Guest Editors: Basia Belza, PhD, RN, FAAN, and
 Janet Primomo, PhD, RN

FEATURE ARTICLES

13 Engaging With Aging: A Framework for Managing Daily Living

The authors present a perspective and set of processes older adults may use to manage daily living.

Doris L. Carnevali, MN, RN; Janet Primomo, PhD, RN; and Basia Belza, PhD, RN, FAAN

21 "It May Be a Bit Uncertain But It's Never Boring": Thematic Analysis of a Blog About Engaging With Aging

Blog posts were found to provide insights into the aging experience from the perspective of the older adult as well as strategies used to adapt to changes.

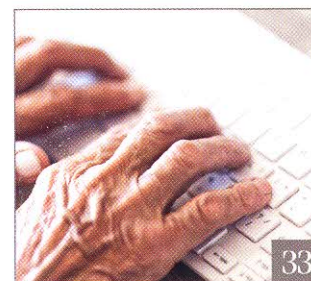

Yan Su, MS, RN; Shumenghui Zhai, MPH; Boeun Kim, MSN, RN; Christina E. Miyawaki, PhD, MSW; Janet Primomo, PhD, RN; and Basia Belza, PhD, RN, FAAN

28 Academic Leadership Roles and the Promotion of Research, Education, and Practices That Reframe Aging

Nurse leaders must assure a forward-looking curriculum, foster relevant research, disseminate findings, and influence policy change to promote engaging with aging research, education, and practice.

Azita Emami, PhD, MSN, RNT, RN, FAAN

33 Using an Innovative Discussion Platform to Give Voice to Aging-Related Experiences: A Pilot Study

A moderated online platform facilitated information exchange among older adults, empowering them to leverage their own knowledge and experiences to promote self-management strategies.

Andrew K. Teng, MS, BS; Soojeong Han, AGNP-BC, RN; Shih-Yin Lin, PhD, MPH; George Demiris, PhD; Oleg Zaslavsky, PhD, MHA, RN; and Annie T. Chen, PhD, MSIS

41 Emerging Smart Home Technologies to Facilitate Engaging With Aging

Built environments with newly embedded technologies have the potential to promote older adults' ability to better manage day-to-day living.

Yong K. Choi, PhD, MPH; Amanda Lazar, PhD; George Demiris, PhD, FACMI, FGSA; and Hilaire J. Thompson, PhD, RN, ARNP, AGACNP-BC, FAAN, FGSA
