On the Cover

Ventilator-dependent infant with Pediatric Rehabilitation Nurse on infant/toddler unit of Children's Specialized Hospital, the largest pediatric rehabilitation center in the United States. The GetWellNetwork™ program provides lullabies to the infants. For more information about Children's Specialized Hospital and the GetWellNetwork, refer to the Items of Interest department in this issue.

Journal Philosophy Statement

Pediatric Nursing presents information that is both theoretically grounded and clinically relevant to educate the novice, enrich the generalist, and advance the pediatric specialist toward providing professional care of the highest quality.
