features

24 STROKE, PART 1: Opening the window of opportunity for treating acute ischemic stroke

By Janice Mink, BSN, RN, CCRN, CNRN,
and Julie Miller, BSN, RN, CCRN
New guidelines give many patients
experiencing acute ischemic stroke a
larger window of opportunity for
receiving fibrinolytic therapy. The first
in a two-part series, this article will
bring you up to date on this and other
recent changes in the guidelines for
stroke care.

CE CONNECTION

36 HIV: The changing epidemic

By Carl A. Kirton, DNP, ACRN, ANP-BC
Of the 1.1 million Americans with HIV,
more than 20% don't know they're
infected. Make sure you're screening
patients appropriately, then help educate
those diagnosed with HIV about the
latest treatment advances.

For immediate CE test processing, see our website at <http://www.nursingcenter.com/ce/nursing>.

35 PATIENT EDUCATION SERIES Osteoporosis

By Susan Simmons, PhD, RN, ARNP-BC
Offer this handout when you educate
patients about how to protect and
strengthen thinning bones.

45 SHARING Hospice on ice

By Marion Jackel Wilson, LPN
No heat or electricity? Roads covered in
ice? Not a problem for this resourceful
hospice nurse.

46 PROFESSIONAL GROWTH Nursing in the faith community

By Marilyn D. Harris, MSN, RN,
NEA-BC, FAAN
Consider whether you'd like to branch
out into this nursing niche.

49 Provide a helping hand to patients with upper extremity prostheses

By Deborah J. Velez, MSN, NP, and
Mary Ellen Dellenfield, PhD, RN
Many veterans of the wars in Iraq and
Afghanistan are coming home with
amputations. Learn about the amazing
technology that's helping them resume
normal lives.

54 They only come out at night: Bed bugs and their alarming resurgence

By Kelley Miller Wilson, MSN, RN
Not even hospitals are immune. Here's
how to respond if these pests invade your
home or your workplace.

59 Supporting parents with chronic illnesses

By Brenda L. Janotha,
DNP-DCC, ANP-BC
Parenting is doubly
challenging when one
parent is chronically ill.
This comprehensive
discussion will explain how to assess
common problems and help parents
maintain a sense of normalcy for their
children.

7 Nursing2011 salary and benefits survey

Respond online, by
mail, or by fax so we
can assess nursing
salaries and benefits
nationwide.
