features

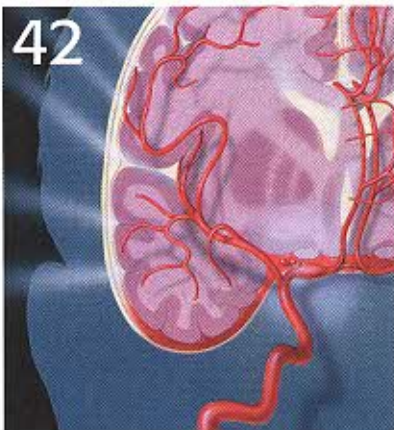

Winner of 2012
silver ASHPE awards for
best peer-reviewed journal
and best new department!

28 Targeting Lyme disease

By Nicole Mae Marchese, BSN, and
Shannon Renee Primer, BSN

Can you recognize signs and symptoms of this common vector-borne disease? Update your knowledge of the latest diagnostic criteria and treatment guidelines, then take a bite out of Lyme disease by teaching your patients about prevention measures.

CE CONNECTION

42 Aneurysmal subarachnoid hemorrhage: Follow the guidelines

By Wendi Rank, MSN, RN, CNRN, CRNP
Current practice guidelines for this potentially fatal disorder are detailed and comprehensive. Make sure you're up to date by reading this review of best practices for managing aneurysmal subarachnoid hemorrhage, preventing complications, and improving patient outcomes.

For immediate CE test processing, see our website at <http://www.nursingcenter.com/ce/nursing>.

35 PATIENT EDUCATION SERIES Medicine disposal

Teach your patients how to dispose of drugs they no longer need, then give them this handout to take home.

37 NURSES WEEK TRIBUTE Notes on noise

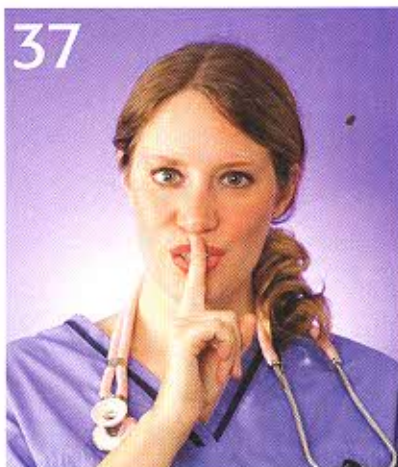

By Jennifer A. Morton, BSN, RN
Florence Nightingale was ahead of her time in recognizing that a noisy environment isn't a healing environment. Use these strategies to lower the volume and keep it down.

54 SHARING The crisis

By Lois Gerber, MPH, BSN, RN
By respecting a family's desire for a faith healer at end of life, this homecare nurse helped her patient's family cope with loss.

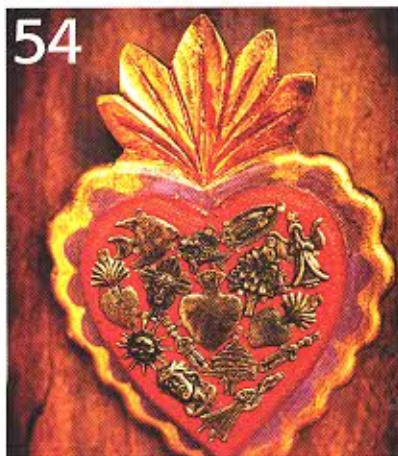

58 PROFESSIONAL GROWTH Build your personal power by choosing your words carefully

By Barb Langlois, MSN, BSN, RN
Three simple steps to better communication will help you build confidence and gain the respect of others.

61 AHA recommendations for preventing heart disease in women

By Melissa M. Sherrod, PhD, RN;
Nicholas McIntire Sherrod, BSN, RN;
Mandy Tate Spitzer, BSN, RN; and
Dennis J. Cheek, PhD, RN, FAHA
The obesity epidemic may be reversing gains in heart disease prevention in women. The new American Heart Association guidelines discussed here call for a renewed focus on health education and lifestyle trends.
