#### 28 Female refuges: Sensitive care needed

By Elizabeth Heavey, PhD, RN, CNM

At risk for PTSD, these vulnerable patients require a gentle and caring approach, extra time, and appropriate screening. Follow these guidelines to identify and address the physical and emotional consequences of sexual violence and other war-related trauma.

#### 36 Skin tears: Best practices for care and prevention

By Kimberly LeBlanc, MN, RN, CETN(C), IWCC; Sharon Baranowski, MSN, RN, CWCN, APN-CCNS, MAPWCA, FAAN; and The International Skin Tear Advisory Panel, 2013  
Until recently, skin tears have received scant attention, even though they may be more prevalent than pressure ulcers. Now's the time to update your knowledge about assessing, treating, and preventing these painful and often debilitating wounds according to new standards and recommendations issued by the International Skin Tear Advisory Panel.

#### 49 PROFESSIONAL GROWTH

##### Strike gold when interviewing for your first nursing job

By L. Jane Rosati, EdD, MSN, RN

How you prepare for, respond during, and act after a job interview may be the difference between success and failure. Review the pointers presented here, then practice and prepare for that critical interview.

#### 54 NURSES WEEK TRIBUTE

##### My heart belongs in Haiti

By Heather Bracken, BSN, CN

There's nothing like stepping outside your comfort zone to see the world in a different light. One nurse who did just that found that volunteering in a Haitian clinic made her fall in love with nursing all over again.

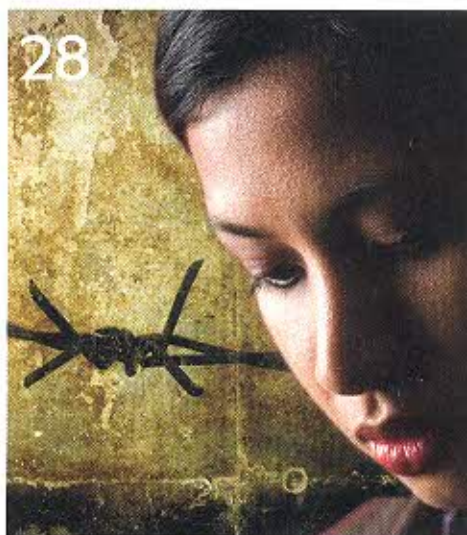

#### 60 Caring for the caregiver

By Christianne Fowler, DNP, RN, GNP-BC

Review need-to-know information for family caregivers and offer the resources discussed here to help reduce their stress and improve the care they provide to their loved ones—your patients.

The publisher disclaims responsibility for adverse effects resulting directly or indirectly from suggested procedures/medication dosages or the reader's misunderstanding of the content. All published patient initials are fictitious to protect confidentiality. Any similarity to actual individuals is purely coincidental.

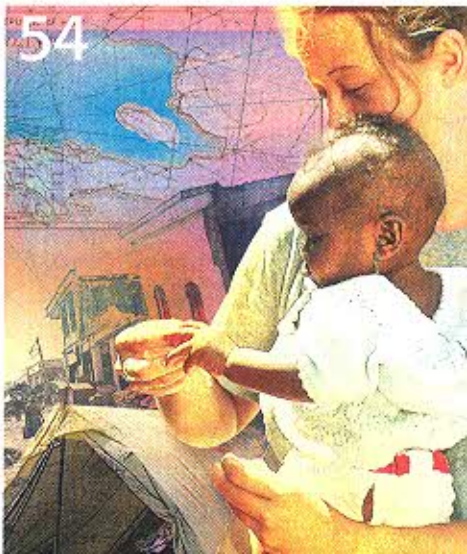

#### 20 Nursing2014 survey

##### 20 questions: Evidence-based practice or sacred cow?

By Julie Miller, BSN, RN, CCRN

Help us gather information about current nursing practice nationwide by responding to this survey. Then look for the results and rationales in an upcoming issue. To take the survey online, visit [www.Nursing2014.com](http://www.Nursing2014.com).

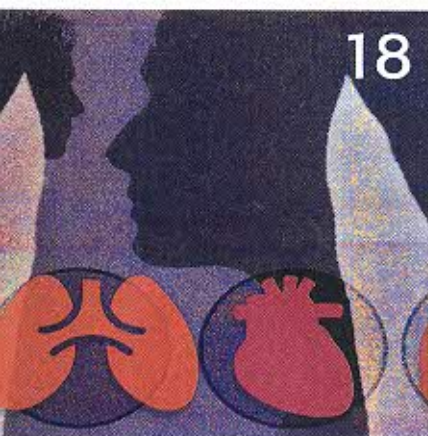

# Nursing2014<sup>®</sup>

Our mission at *Nursing2014* is to improve nursing practice by providing evidence-based practical information with a reader-friendly approach.
