Cover Story

Accepting the Challenge 8

It all started with one young patient and before they knew it, Leisure Chateau Care and Rehabilitation Center, Lakewood, NJ, had a 60-bed unit treating a challenging population of patients with Huntington's disease. On the cover, are brothers, Ronald West Jr. and Robert West, both who have HD, with Kelly Kunz, LPN, manager of the HD unit. Above, Donna Knowles, MSN, BS, RN (left), director of nursing at the facility, consults with Sunshyne Darcy, MS, CCC-SLP, and Kunz, about their next educational presentation.
