feature articles

146 Achieving Baby-Friendly Designation: Step-by-Step

CE

To achieve Baby-Friendly designation, hospitals and birthing centers must successfully implement the Baby-Friendly Ten Steps to Successful Breastfeeding: Learn how these authors did it.

Karen Goodman, MA, RN, IBCLC, LCCE, and Eileen DiFrisco, MA, RN, IBCLC, LCCE

156 Triple Whammy: Women's Perceptions of Midlife Mothering

This qualitative study provides an in-depth interpretation of women's experiences as older first-time mothers.

Patricia Ann Morgan, PhD, RN, CNE, Joy A. Merrell, PhD, RN, Dorothy Rentschler, PhD, RN, CNE, and Hugh Chadderton, PhD, RN, MSc

Cover Photo: Jani Bryson/iStockphoto

164 A Preconception Care Program for Women in a College Setting

CE

Nursing students teach their peers about preconception health in preparation for future pregnancies.

Gail Holland Wade, PhD, RN, Judy Herrman, PhD, RN, and Lisa McBeth-Snyder, MSN, RN

174 Review of Perinatal Partner-Focused Smoking Cessation Interventions

The authors review partner-focused smoking cessation interventions to help reduce prenatal smoking exposure and support pregnant women's positive health behaviors.

Adrienne L. Duckworth, BSN, and Ilana R. Azulay Chertok, PhD, MSN, IBCLC

182 Nurse-Led Education Mitigates Maternal Stress and Enhances Knowledge in the NICU

A nurse-led educational intervention tailored to the needs of high-risk mothers decreases stress during the antenatal period and NICU hospitalization.

Jo Ann Morey, BSN, RN, and Katherine Gregory, PhD, RN

193 Promoting Individualized Breastfeeding Experiences

Case studies describe the breastfeeding experiences of two women, and the authors discuss how nurses can provide individualized breastfeeding education and experiences for new mothers.

Carol L. Rossman, DNP, PNP, and Adejoke B. Ayoola, PhD, RN

ongoing columns

143 GUEST EDITORIAL

Changing Landscape of Prenatal Testing: Ethical and Social Implications for Families

Maternal-child nurses need to become well informed about a new type of prenatal testing, noninvasive prenatal diagnosis (NIPD).

Marcia Van Riper, PhD, RN, FAAN

144 SECOND OPINION

Should Ovum (Human Egg) Donation Be Allowed?

Donor eggs have added to the battery of available infertility treatments, but what about the egg donor?

Coordinated by Kathleen Leask Capitolo, DNSc, RN, FAAN, FACCE

Debaters: Zhaoxia Huang, BSN, RN, and Anastasia Stekas, MS, RN C, IBCLC

201 NUTRITION FOR THE FAMILY

The 2010 Dietary Guidelines: Additional Considerations

What are some concerns and challenges with the 2010 dietary guidelines for Americans?

Karen H. Morin, DSN, RN, ANEF, FAAN

202 HEALTH INFORMATION TECHNOLOGY

Clinical Alarm Management

Clinical alarm management is a top health information technology concern for 2012, and few health care providers encounter more alarms than nurses.

Patricia Robin McCartney, PhD, RN, FAAN

203 GLOBAL HEALTH AND NURSING

Mothers Without Borders

In addition to their primary activities, MWB volunteers teach mothers and grandmothers skills that help to provide income for their families.

Lynn Clark Callister, PhD, RN, FAAN

204 TOWARD EVIDENCE-BASED PRACTICE

Experts suggest how 6 research articles can be used in nursing practice.

Judith A. Lewis, PhD, RN, WHNP-BC, FAAN, and Terri H. Lipman, PhD, CRNP, FAAN

208 PERINATAL PATIENT SAFETY

Electronic Fetal Monitoring Alerts

Audible and visual electronic fetal monitoring alerts are designed to notify clinicians of potentially concerning fetal heart rate changes.

Kathleen Rice Simpson, PhD, RN, FAAN

MCN AWARDS

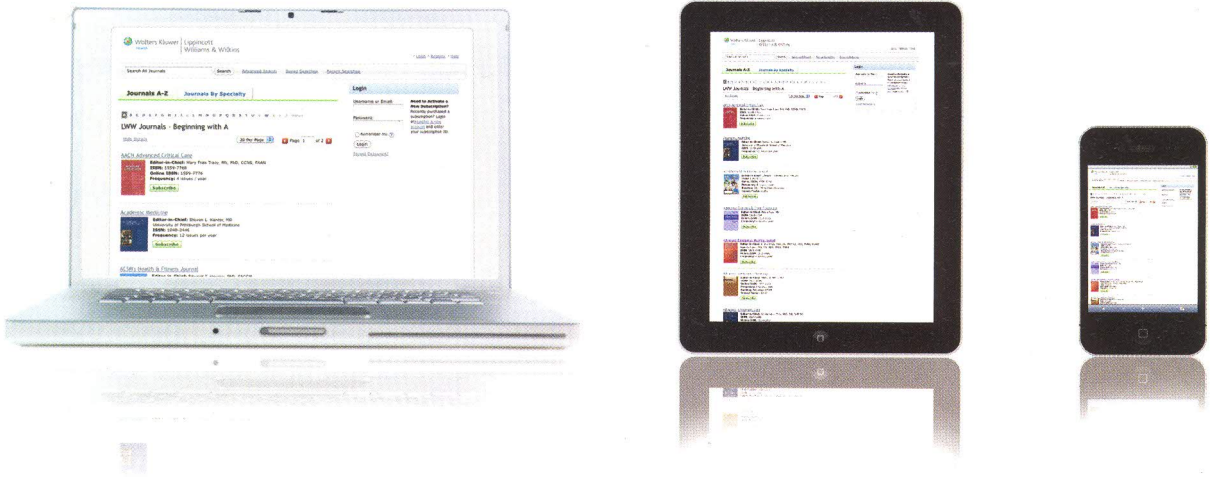

The MCN Practice Article of the Year and The MCN Research Article of the Year are chosen by a distinguished panel of experts, and designate these articles as having outstanding scholarly attributes as well as clear applicability to clinical nursing practice. Each year, award winners will be notified in January and listed in the January/February issue of *MCN*. See the *MCN* Web site for a list of all winners.

MCN Information for Authors is available at www.mcnjournal.com, click on Journal Info.

When citing an article from this Journal in your CV or in a reference list, please use the Journal's complete name every time: "MCN, The American Journal of Maternal Child Nursing"

REGISTRATION HAS ITS BENEFITS.

- Customize your options
- Create personal article collections
- Email articles to colleagues
- Save your searches
- Download podcasts
- Sign up for eTOCs

Getting started is easy!

To enjoy these and other journal site benefits:

1. Visit the journal website and click **Register** in the login box.
2. Choose a username and password, enter your email address and click continue.
3. At the next screen, complete your personal information and click continue again.
4. Next, enter the requested information about your practice, taking note of any required fields. Click **Complete Registration**.
5. After you receive email confirmation, just click on the link in the email within 48 hours to automatically activate your journal benefits.

Register one time only and you can enjoy valuable benefits from all your favorite Lippincott Williams & Wilkins published journals!
