feature articles

10 Beginning at the Bottom: Evidence-Based Care of Diaper Dermatitis

CE

Have you witnessed a clinical practice in your institution and said to yourself "Why do we do that?" These nurses did and put together a strong evidence-based practice change. You can use this as a model.

Lauren M. Heimall, MSN, RNC-NIC, PCNS-BC, Beth Storey, MSN, RN, CPON, Judith J. Stellar, MSN, CRNP, PNP-BC, CWOCN, and Katherine Finn Davis, PhD, RN, CPNP

19 Women's Perceptions of Centering-Pregnancy: A Focus Group Study

CE

Women who participated in group prenatal care explain how they felt about it.

Judith W. Herrman, PhD, RN, ANEF, Stephanie Rogers, BS, RN, and Deborah B. Ehrenthal, MD

30 Understanding Hydatidiform Mole

This mysterious diagnoses can be the precursor of serious illness. How much do you know about it?

Mary DiGiulio, DNP, APN, Susan Wiedaseck, DNP, CNM, and Ruth Monchek, MSN, CNM

36 Interruptions to Breastfeeding Dyads in a LDRP Unit

We all want to increase the rates of breastfeeding. Would it help if we decreased the number of times breastfeeding women were interrupted while they were breastfeeding in the hospital?

Barbara Morrison, PhD, RN, FNP, CNM and Susan Ludington-Hoe, PhD, RN, CNM, FAAN

42 Teaching Guatemalan Midwives About Postpartum Hemorrhage

These nurses and midwives have dedicated their careers to helping to decrease maternal and infant mortality in a resource poor nation. Read what they teach to traditional midwives.

Kimberly Garcia, DNP, CNM, WHNP, GAANN Fellow, Barbara Morrison, PhD, CNM, FNP, and Carol Savrin, DNP, PNP, FNP

48 Eating Disorders and Pregnancy: Supporting the Anorexic or Bulimic Expectant Mother

How do you practice your best nursing skills with pregnant women with disordered eating? Dr. Zauderer has a case study and the facts from the literature for you.

Cheryl R. Zauderer, PhD, RN, CNM, NPP

56 Weight-Management Information Needs of Postpartum Women

One thing we can count on: pregnant women want to lose the "baby weight." How can we best help them do it?

Jennifer M. Ohlendorf, MS, RN, Marianne E. Weiss, DNSc, RN, and Polly Ryan, PhD, RN, CNS-BC

ongoing columns

7 EDITORIAL

Be Careful What You Wish For

Nursing's Image: What is it?

Margaret Comerford Freda, EdD, RN, CHES, FAAN

8 SECOND OPINION

Should Children Visit Patients in an Intensive Care Unit (ICU)?

Is it good for the patients? Good for the families? Good for the child? Read the debate and make up your own mind.

Coordinated by Kathleen Leask Capitolo, DNSc, RN, FAAN
Debaters: Sylvia M Barchue, MS, RN, and Aneita Morgan BSN, RN, CHPN

64 NUTRITION FOR THE FAMILY

Embracing the US Surgeon General's Call to Action to Increase Breastfeeding

Nurses have been at the forefront of efforts to increase breastfeeding rates. Now we have a powerful ally.

Karen H. Morin, DSN, RN, ANEF, FAAN

65 HEALTH INFORMATION TECHNOLOGY

Social Networking Safety for Children and Adolescents

Protecting children from the dangers of social networking is another function of HIT.

Patricia Robin McCartney, PhD, RN, FAAN

67 GLOBAL HEALTH AND NURSING

Breaking the Cycle of Poverty: Global Girlfriends

It is possible to empower women in resource poor countries through helping them to sell homemade goods.

Lynn Clark Callister, PhD, RN, FAAN

68 TOWARD EVIDENCE BASED PRACTICE

Experts suggest how 6 research articles can be used in nursing practice.

Judith A. Lewis, PhD, RN, WHNP-BC, FAAN
Laura L. Hayman, PhD, RN, FAAN

71 PERINATAL PATIENT SAFETY

Just Say No

Remember the "Just Say No Campaign"? It referred to illegal drugs. Dr. Simpson has a new idea about a drug that nurses should start saying no to.

Kathleen Rice Simpson, PhD, RN, FAAN

MCN AWARDS

The MCN Practice Article of the Year and The MCN Research Article of the Year are chosen by a distinguished panel of experts, and designate these articles as having outstanding scholarly attributes as well as clear applicability to clinical nursing practice. Each year, award winners will be notified in January and listed in the January/February issue of MCN. See the MCN Web site for a list of all winners.

MCN Information for Authors is available at www.mcnjournal.com, click on Journal Info.

When citing an article from this Journal in your CV or in a reference list, please use the Journal's complete name every time: "MCN, The American Journal of Maternal Child Nursing"
