# PERINATAL EXPERIENCES OF BLACK WOMEN

## EDITORIAL & UPDATES

### FROM THE EDITOR

#### 407 In Support of Reproductive Health Justice

*Restrictions to the provision of essential health care during pregnancy are dangerous, erode efforts to improve maternal health and reduce inequities, and violate the code of ethics we pledge to uphold.*

Heidi Collins Fantasia & Joyce K. Edmonds

#### 410 Erratum

### RESEARCH & PRACTICE BRIEFS

#### 411 Prenatal Cannabis Exposure and Mental Health Disorders in Children

Jennifer P. Hellwig

### COMMENTARY

#### 418 Brave Spaces in Discourse About Pregnant Persons', Women's, and Children's Health

*A call to action to engage in dialogue and look at our own biases and assumptions is a moral obligation and a necessity to generate change.*

Natalie Ford & Kristen Gulbransen

## CLINICAL EVALUATION & IMPROVEMENT

#### 420 Facilitators, Barriers, and Best Practices for In-Person and Telehealth Lactation Support During the COVID-19 Pandemic

*Practice adaptations adopted during the pandemic and best practice recommendations may be useful for lactation support providers and other health care professionals caring for breastfeeding dyads.*

Delaynie H. Johnson, Molly Jean E. Henebury, Chantelle M. Arentsen, Urshila Sriram & Elizabeth Metallinos-Katsaras

#### 429 Evaluation of Patient Access to Spanish-Language-Concordant Care on a Postpartum Unit

*Gaps in patient access to language-concordant care identified in this study represent an opportunity to re-engineer postpartum care and health care services more broadly.*

Jennifer L. Jensen, Alison Sweeney, Carolina Gill, Raunak Mahtani, E. Nicole Teal, Alison M. Stuebe & Kristin P. Tully

#### 439 Examining Health-Seeking Behaviors of Korean Immigrant Women

*Fostering self-efficacy and promoting preventive health care services through diverse and culturally sensitive ways are important for promoting Korean immigrant women's willingness to seek preventive care.*

Melissa Legowski, Diana Cartagena, Uyen Le-Jenkins & Carolyn Rutledge

#### 450 Women's Experiences of Symptoms of Suspected or Confirmed COVID-19 Illness During the Pandemic

*Individuals who identify as women, with or without suspected or confirmed COVID-19 disease, have physical and mental health symptoms that affect their daily life during the pandemic.*

Katherine South, Suzanne Bakken, Theresa Koleck, Veronica Barcelona, Noemie Elhadad & Caitlin Dreisbach

## REVIEW

#### 462 An Integrative Review of the Perinatal Experiences of Black Women

*Black women continue to report negative pregnancy, birth, and postbirth experiences despite their desire for safe, respectful, and unbiased holistic care.*

Laura Murphy, Fuqin Liu, Rebecca Keele, Becky Spencer, Kathleen Kistner Ellis & Danica Sumpter

## IN PRACTICE

#### 473 CNE Summary of New Guidance on Selected Immunizations

*This article addresses recent updates to the U.S. adult vaccination schedule and highlights immunization guidelines, safety issues, and special considerations for women.*

Lauren Mays, Alice Bristow, Rachel Brawley, Ashley Hodges & Aimee Holland

## JOINT STATEMENT

#### 484 Joint Statement from the Reproductive Healthcare Nursing Organizations on the US Supreme Court Ruling on Dobbs v. Jackson Women's Health Organization

Continued

## REFLECTIONS

- 485 **A New Nurse's Unexpected Discovery**  
*A new nurse makes an important discovery while performing a basic assessment of a newborn.*  
Shannon Connolly
